"REDS" HAD PLANNED TO OVERTHROW THE U. S. GOVERNMENT

Development of Steel and Coal Strikes Into Revolution Proposed by Radicals—Most Menacing Plot in Nation's History Nipped by Officials.

ELLIS ISLAND JAMMED WITH ALIEN ANARCHISTS

WASHINGTON, Jan. 3.—Radical leaders planned to develop the steel and coal strikes into a general strike and ultimately into a revolution to overthrow the government according to information gathered by federal agents in Friday night's wholesale roundup of members of the Communist and Communist Labor parties. A definite program to expand the two disturbances to blot out organized government was disclosed in the evidence gathered. This data, officials said, tended to prove that the nationwide raids had nipped the most menacing revolutionary plot unearthed. Officials indicated both groups were only awaiting an opportune moment to carry on among other workers the same sort of agitation employed among steel workers and coal miners. Among the foreign element of the Communist and Communist Labor Parties information described as conclusive revealed payrolls had been "loaded" with agitators to be sent suddenly to every fertile field in support of a general strike campaign. In the last two weeks of the coal strike Communist agitators were discovered to have penetrated practically every mining center east of the Mississippi river. Evidence showed that in several instances where miners had voted to return to work the Communists had spread their propaganda to such an extent, it was said that few if any miners actually got back to their jobs.

Attempts to incite mine workers to violence were the most bold in West Virginia officials said, serious trouble being narrowly averted. But all soft coal regions were infected and much data leading up to Friday's nationwide raids were gathered by secret agents it was disclosed.

The raids also disclosed that a cash fund has ben created by the two parties. Much of this money is said to run into several millions had been set aside to bail out adherents in case of arrest for sedition and to teach violence. Proof also was said to have been obtained that in the case of agitators who went among steel and mine workers funds for bail were made available in every section frequented by "red" agitators. Their plans to organize workers in support of the Communist cause were pictured as more complete than a political campaign. It was evident, officials said, that the movement was "ripe" and that settlement of the coal strike had ben a ken disappointment.

Assistant Attorney General Garvin made public tonight the government's memorandum submitted to the bureau of immigration upon which was based the government classification of the Communist and Communist Labor Parties as coming under the espionage act. This disclosed that both were pledged to fight any suggestion of military action by America against Soviet Russians. Membership applications revealed that both groups were indirectly under control of the Russian Communist Council.

Among features of the Communist Labor Party's doctrine was denuciation of the following principles:

"We maintain that the class struggle is essentialy a political struggle, that is a struggle by the proletariat to conquer the capitalist state, whether its form be monarchial or Democratic-Republican and to replace it by a governmental structure adequately adapted to the Communist transformation.

"The most important means of capturing state power for the workers is the action of the masses proceeding from the places where the workers are gathered together—in the shops and the factories. The use of the political machinery for the capitalistic state is only secondary. The working class must organize and train itself for the capture of state power."

Federal officials deplored weaknesses in laws governing procedure preliminary to deportation. It was pointed out that in most cases persons arrested can obtain temporary fredom on bail of $1,000. There was an apparent feeling that if bail was granted some of most dangerous "reds" gladly would forfeit that amount to avoid deportation. The department plans however, to keep under surveillance and make re-arrests if necessary.

Late figures received by Mr. Garvin showed 2,635 aliens were held with evidence which federal agents believed sufficient to warrant deportation.

Total arrests were estimated at nearly 4,500, altho this estimate was changing. As more cities reported it was evident that the number of citizens caught would exceed expectations. Among them were many parlor Bolshevists, who it was admitted would have to be turned over to state authorities. Only about ten states have laws adequate to handle this class, Mr. Garvin said.

These cities reported arrests today as follows:

Indianapolis	3
Fort Wayne, Ind.	2
Clinton, Ill.	5
Anderson, Ind.	1
San Francisco *	3
Wilkes Barre, Pa.	8

* Additional.

Deportation hearings of the radicals arrested in last night's raids will begin as soon as possible Anthony Caminetti, commissioner general of immigration, stated tonight. Consideration has already been given to the question of a special ship to carry those deported, he added.

Owing to the number of cases speedy deportation of those guilty is an impossibility, J. W. Abercrombie, solicitor for the department of labor, declared tonight.

Ellis Island Jammed.

NEW YORK, Jan. 3.—Armed with more than 300 warrants, federal agents and police detectives continued their search for radicals accused of plotting to overthrow the government who escaped the government's dragnet which has netted 700 prisoners in 24 hours in Greater New York.

Today under heavy escorts of coast guards, police and government agents, radicals captured here together with hundreds brought in from Northern New Jersey were transported to Ellis Island. The immigration station is swamped tonight with its record jam of alien anarchists held for deportation proceedings. It was reported three steamers were being made ready to follow the "soviet ark" Buford to soviet Russia. The army transport Kilpatrick probably will be soviet ark No. 2. It is expected to sail this month. In addition the army transports America and President Grant among the largest of the former troop transports are also reported to be making ready for similar voyages. Both ships are former German liners. Bombs, rifles, pistols, bayouets, knives and ammunition seized in raids lent a sinister air to the reported activities of radicals captured in Northern New Jersey sections. Tons of seized propaganda literature were being sorted and studied. The department of justice headquarters was swamped with an enormous amount of red banners Communist and Communist Labor party papers, I. W. W. membership cards and pictures of Lenine, Trotzky, Liebknecht, Emma Goldman, Alexander Berkman and Rosa Luxemburg, that were seized.

Agents of the bureau of investigation were engaged in hunting thru this mass for evidence connecting Ludwig Martens, Russian soviet "ambassador" to the United States, with participation in promoting Communist activities in the United States.

Meanwhile federal agents are reported to be keeping close track of the soviet 'envoy" whose whereabouts has been a mystery.

Determination of the Communist to continue their work for overthrow of the government was voiced today by Hardy Winitsky, secretary of the New York Communist party, taken in the raids.

He was released on his own recognizance and given until Tuesday to prove his citizenship.

By night fall more than 300 "Reds" had been corralled on Ellis Island making 422, including old anarchistic cases held for deportation proceedings. Among those sent there today were six children and 24 women.

With 700 immigrants already on the island awaiting examination and more than a thousand others held on ships the immigration forces was completely swamped and was working overtime tonight. The first hearings will be started Monday. Deportation proceedings will be held on the island for all those arrested in New York and vicinity. Radicals arrested in other districts will be given hearings by immigration inspectors and, when the findings are approved by the department of labor, they will be sent here to await deportation it was said.

Warned by the fate of their comrades who were deported on the Buford arrivals at Ellis Island

LOANS MADE TO HELP BUILD UP EUROPE

Appeals of American Business for Aid to Finance Reconstruction Work Answered By Four Loans Aggregating $17,000,000.

Washington, Jan. 3.—Appeals of American business for aid to finance reconstruction of Europe were answered today when the war finance corporation announced four loans aggregating $17,000,000 soon would be made to commercial interests which will use the money to export needed materials to stricken nations.

Wide difference of opinion has existed among government officials as to the advisability of extending governmental aid to manufacturing exporters. The corporation's decision to utilize its powers under the amended war finance corporation act came as no surprise however, as Secretary Glass has taken a definite stand in favor of tendering assistance. War finance corporation officials were reticent about plans for further loans. They admitted however, that "sheaves of applications for advances" were under consideration. It was not believed that the loans would be made freely.

Heads of great business houses have been frequent visitors at the offices of the corporation and officials have thus obtained information as to the general needs. It was pointed out that while the American manufacturer possibly could find markets for his product here he would not be establishing himself in the world trade.

The loans announced were comparatively small but they were believed to forecast the attitude of the corporations future action. Gilt-edged securities were demanded.

GREY MAY RETURN TO WASHINGTON

NEW YORK, Jan. 3.—Possibility of his return to Washington as British ambassador to the United States was indicated in a statement made today by Viscount Grey, prior to his departure for London on the steamship Adriatic.

"I am going home on a leave of absence because for special reasons my presence is desirable at present," he said. "I have no statement to make, but I should like to say that the time I have spent in the United States has been not only very interesting, but I have been shown so much kindness and personal good will that I have been given strong inducement to return."

Viscount Grey came to the United States as British ambassador September 27, last.

After a three hour delay, due to the late arrival of her coal, the Adriatic left tonight.

MORE ALIENISTS TESTIFY FOR NEW

Los Angeles, Calif., Jan. 3.—Two more alienists testified for the defense today in the trial of Harry New, alleged murdered of his fiancee, Freda Lesser, giving opinions that New was insane when he shot the young woman.

They were: Dr. E. B. Hoag and Dr. E. O. Sawyer. The latter was under cross-examination when court adojurned to Monday.

Dr. Hoag referred to New as a "constitutional inferior" and also described him as a "psychopathic personality." Under cross-examination the witness said assuming theory of the prosecution correct New's killing of Miss Lesser was not necessarily the act of an insane man.

NAMED HEAD OF CONSERVATION COMMITTEE

Chicago, Jan. 3.—Edgar E. Bartlett, of the Rockford Register Gazette has been appointed by President F. P. Glass of the American Newspaper Publishers' Association region chairman of newsprint conservation for Illinois and Indiana, it was announced today. Mr. Barlett still presides at a meeting of publishers called yesterday for January 7 in Chicago to discuss conservation methods. Similar meetings have been called in other states.

DANCER SELLS PARISIAN HOME

Paris, Jan. 3—Isadora Duncan, the dancer, has sold her pavilion de Bellevue, over looking Paris, to the ministry of fine arts, according to the Paris edition of the New York Herald. for more than one million francs.

AERIAL SLED NOT MUCH OF AIR INVENTION

Clinton, Ia., Jan. 3.—When the wings on the aerial sled invented by Charles Runyan of Savannah, Ill, failed to lift him over an air hole in the Mississippi river, Friday rider, sled and all went into the icy water. Runyan was rescued but the sled disappeared.

BOLSHEVIKS TAKE TSARITSYN

London, Jan. 3.—Capture of Tsaritsyn, on the Volga, 110 miles south-southwest of Kamishin, is announced in a Bolshevik official statement received from Moscow by wirjeless. The Bolshevik forces took much booty, it adds.

FIRE UNDER CONTROL

Danvile, Va., Jan. 4.—Fire which treatened destruction to much of the business section here tonight was brought under control shortly after midnight, after causing damage estimated at between $750,000 and $1,000,000

Athens, Jan. 3.—King Alexander fell while practicing jumping yesterday and broke his ankle. He will be forced to remain in bed a month, according to his physicians.

WILSON WILL NOT EXERCISE POWERS

Conferred in McNary Sugar Bill Authorizing Purchasing and Dstrbution

PLENTY FOR U. S. NEEDS

WASHINGTON, Jan. 3.—President Wilson has decided not to exercise powers conferred in the McNary sugar control bill, authorizing purchase and distribution of the Cuban sugar crop, said a statement issued tonight at the white house. The statement said the president had decided on the basis of facts presented for his consideration and the recommendation of the sugar equalization board that this power should not be exercised.

In a statement announcing the president's decision it is declared that apparently the available sugar supply is sufficient for American needs, "even on the present unnecessarily large basis of consumption" and notice is given that the power of price control thru the licensing system, authorized by the bill will be invoked if necessary in cooperation with the department of justice. The figures attached show that the estimated 1919 consumption was slightly more than 4,500,000 tons of which normally only 1,000,000 tons was domestic production. As the Cuban crop is unusually large at 4,800,000 tons, however, of which the allies, because of limited purchasing power, will take about 1,250,000 tons, and as the estimated Louisiana, Western Beet Hawaiian and Porto Rican production will reach 2,000,000 tons, the statement foresees a sufficient supply for America.

The American per capita consumption of sugar, the statement said, had risen from 35 pounds in 1866 to 85 pounds during the 1914-1918 period and to 92 pounds for 1919.

When the purchase of the Cuban crop first came up in August, only one member of the sugar board dissented from the conclusion that the Cuban crop should not be purchased unless the board's powers were made effective requiring congressional action, the statement said. Early in October the sugar board recommended to a senate committee the purchase of the 1920 Cuban crop, the board then feeling its contracts with both producers and refiners could be renewed. Congress did not act, the statement adds, until December 20. Conditions have so changed that board members feel action by them under the McNary act does not offer a way to secure a regular supply at a reasonable price, the statement said.

"One of the elements which helped to make the board's action for the 1919 effective no longer exists," it continues. "The board was able to deal with the unified Cuban selling agents for the 1919 crop and to secure and control the entire crop."

The statement points out that under the McNary act, control of domestic sugar would end June 30 and adds that should the sugar board scheduled in buying Cuban sugar for delivery thruout the year it would be in the position of trying to maintain a uniform reasonable price over the country with no control over large quantities of sugar from Hawaii and Porto Rico which come in mainly after June 30 and over the new Louisiana cane and western beet sugars.

COAL PRODUCTION BACK TO NORMAL

Washington, Jan. 3.—Coal production is again sufficient to meet current requirements, according to the weekly report tonight of Walker D. Hines, director general of railroads. In the central western region, coal production was exceptionally large the report says, loading being 54 per cent more than the same period last year and 148 per cent more than the previous week.

Business conditions are improving generally, the report said.

GLASS WILL NOT TAKE SEAT TOMORROW

Washington, Jan. 3.—Carter Glass, will not take his seat as senator from Virginia when congress re-convenes Monday, having assented to the request of President Wilson that he remain secretary of the treasury at least until January 15, by which time it is expected his successor will be nominated and confirmed.

RAILROAD TRAIN CAPTURES.

London, Jan. 3.—Dispatches to oficial quarters from Odessa say the Russian volunteer army which recently captured Proskurov, 175 miles southwest of Kiev, took a railroad train containing the treasury of General Petlura, Ukrainian Bolshevik commander. One car conveyed gold and silver and old Romanoff bank notes.

PLAYER SIGNED.

Bloomington, Ill., Jan. 3.—President C. P. Goelzer of the Bloomington Three I league club announced today that Andy Woehrs, a crack third baseman from Fort Wayne, Ind., had been signed for 1920. He was in the Central association prior to the war.

PREMIER CLEMENCEAU IN AUTO SMASHUP

TOULON, Jan. 3.—Premier Clemenceau who is on a visit to the department of Var was in a smashup of automobiles today but escaped injury. Four deputies were badly hurt.

Premier Clemenceau and party were in two automobiles. A farmer with a load of straw blocked the way but M. Clemenceau's chauffeur, Adolphe, who was his driver when he was shot by Emile Cottin last February, succeeded in avoiding a collision. The second automobile however smashed into the farmer's cart. It skidded down the hill and turned over. The premier assisted the injured who included Deputies Denise and Reymonenq and the Perfect of Var.

M. Clemenceau was unmoved by the accident and spoke at La-Crau while the injured were being bandaged. Among other things he said:

"The higher interests of our country demand new sacrifices. We should be unworthy of our fathers and our dead and if we shirked that duty."

The premier left for Paris at 6 o'clock this evening. Various speeches he delivered during his tour are interpreted to mean he will remain actively in politics after the resignation of his cabinet.

MINERS' CONVENTION OPENS MONDAY

COLUMBUS, O., Jan. 3.—The officers of the United Mine Workers of America arriving tonight for the convention which begins Monday, were unable to forecast what action the convention may take, it was the belief of some that among other things the national executive committee may be delegated with authority to sign a wage contract based upon the findings of the president's commission.

The convention was called primarily to hear reports of the international officers on the president's proposal for settlement of the wage controversy between miners and operators of the central competitive bituminous district. The entire proceedings had by the international officials and the scale committee since the Cleveland convention last September the Indianapolis injunction and the president's proposal to settle the strike will be reviewed in a report to the delegates, Secretary-Treasurer William Green said tonight.

SOLUTION OF BROWN DEATH TO NEAR

MT. CLEMENS, Mich., Jan. 3.—That authorities were nearing a solution of the mystery surrounding the death of J. Stanley Brown, wealthy son of a Detroit manufacturer was indicated tonight by A. J. Groesbeck state attorney general who took charge of the investigation yesterday.

The attorey general continued his secret inquiry today examining half a dozen witnesses but made no statement. Authorities let it be known, however, that new circumstantial evidence implicated a man and tended to show that this man left Mt. Clemens with Brown late on the night of December 23 when the latter was killed. The proprietor of the hotel where Brown made his home and two guests were examined. Late this afternoon Mrs. Cecil Vester, Miss Gladys Summit and Ben Sorenson, a Camp Custer soldier, were questioned.

CLAIM PROFITS ARE INADEQUATE

CHICAGO, Jan. 3.—N. H. Kendall, commissioner for the Chicago Coal Merchant's association, composed of more than 300 retail dealers who distribute 90 per cent of the fuel used in Chicago and vicinity, today sent a telegram to President Wilson complaining that their present gross margin of profit is inadequate and requesting that a federal official be designated to investigate retail prices. They charge that under present conditions both Attorney General Palmer and Director of Railroads Hines, have refused to consider their complaints. It is asserted that wages paid teamsters have increased from $3.50 to $5.50 a day since June, 1918, and that the cost of other labor has increased proportionately.

MARK SIGNS COACH

Philadelphia, Jan. 3.—Connie Mack, manager of the Philadelphia American League Baseball club announced tonight he has signed Danny Murphy, his former second baseman and right fielder as a coach of the 1920 team. Murphy has ben manager of several New England teams since 1913.

GRANTED APPLICATION FOR CHANGE OF VENUE

Tacoma, Wash., Jan. 3.—Judge John Wilson in Montesano today granted the application of George Vandever, attorney for the eleven I. W. W. charged with murder in Centralia on Armistice Day for a change of venue to Tacoma or Olympia. The place will be fixed Wednesday.

GOPHERS DEFEAT NORTHWESTERN

Minneapolis, Jan. 3.—Minnesota defeated Northwestern, 19 to 12, in the opening of the Western Conference Basketball season tonight. Making only three points in the first half, Northwestern's strong rally in the final period fell short.

G. O. P. CHIEFS WILL HOLD CONFERENCE

Plans for Big National Convention in June Will be Outlined

LOWDEN TO SPEAK

CHICAGO, Jan. 3.—Important conferences of Republicans in preparation for the national convention here next June will begin Monday when prominent men and women from the middle states as well as the national committee on arrangements will meet with Will H. Hays, chairman of the national committee. A feature will be a dinner given by the Illinois State Central Committee to Chairman Hays. The Illinois Women's Advisory Committee will be hostesses at the same dinner to Mrs. John G. South, new head of the women's division of the national committee. Two presidential candidates have accepted invitations and are expected to speak. General Leonard Wood gave his acceptance today. Governor Frank O. Lowden of Illinois, accepted last Friday.

Chairman Hays will leave Monday night for Des Moines for a state conference. The conferences here will continue Tuesday. The committee on arrangements is expected to begin working out details for the convention. Subcommittees probably will be appointed.

National committeemen, state chairmen and members of the women's committees are expected from North Dakota, South Dakota, Nebraska, Kansas, Oklahoma, Minnesota, Iowa, Missouri, Kentucky, Ohio, Indiana, Illinois, Michigan and Wisconsin.

WRECK KILLS ONE AND INJURES 85

ST. JOSEPH, Mo., Jan. 3.—One dead and 85 injured is the result of a wreck of the Chicago Great Western passenger train No. 3, which occurred early today near Wyeth, Mo., 22 miles north of here.

E. J. McGrath, a section foreman from Aitken, Minn., who died late today was the only fatality tonight. Others are in a serious condition and it is expected that Mrs. Ruth Jackson, a negress, Des Moines, Iowa, will not live.

The wreck was caused by a broken rail, railroad oficials said. The derailment occurred near a trestle crossing the 102 river. The locomotive, the baggage car ande one day coach passed the rail in safety and crossed the trestle. The other cars left the rails. The day coaches rolled down the embankment and the sleeping cars piled up along the right of way.

PLAN ANOTHER "DEATH SHOW"

CHICAGO, Jan. 3.—Another "death show" wil be staged in the county jail Friday, Sheriff Peters announced today. For the second time within a week more than 200 prisoners will be forced to witness a hanging when Arthur Haensel, convicted of murder will be hanged. A storm of criticism arose as the result of the hanging of Raffelo Durrage, Friday, while 200 prisoners cowered in their cells in plain view of the death trap.

Sheriff Peters said it was a great moral lesson for the prisoners. The Durrage hanging was carried out against the orders of Governor Lowden.

CHEAPER MILK.

New York, Jan. 3.—One large company which serves the East Side will begin delivery of milk Monday in waxed paper containers at 16 cents a quart, two cents under the prevailing rate it was announced tonight.

PAPERS ADVANCE PRICE

Buffalo, N. Y., Jan. 3.—The three Sunday newspapers of Buffalo, the Express, the Courier and the Times will announce tomorrow an advance from five cents to ten cents a copy. Increasing cost of production is given as the reason.

DEATH RATE LOWER

New York, Jan. 3.—Health Commissioner Copeland announced tonight that the death rate for greater New York was lower last year than in any year since the department was organized. The rate was 12.39 per thousand, as compared with 16.71 for 1918, and 13.94 for the preceding five years period.

BURNED TO DEATH

Mexico, Mo., Jan. 3.—O. B. Thompson, 72, was burned to death and his son, Shirley, 30, was injured seriously in a fire which destroyed the Orpheum Theater today. The property loss was estimated at $60,000.

SUGAR WILL COME DOWN

New York, Jan. 3—Housewives were told today by the federal food administrator that they probably would not have to pay more than fifteen and a half cents a pound for sugar after this month.

EXPORTS INCREASE

Berne, Jan. 3.—Exports to the United States from St. Call, mostly embroideries continue to increase. The gain for December was 8,000,000 francs.

CORRESPONDENT PAYS FORMER KAISER VISIT

Gives Unusual Story of His Personal Appearance and His Future Prospects—Gives Up Hope of Returning to Fatherland.

Berlin, Jan. 3.—The Hague correspondent of the Tageblatt gives an unusual picture of the former kaiser in an article on his personal appearance and his future prospects.

"The kaiser himself—the kaiser grown much old—has been struck in his vital strength," says the correspondent. "The trembling in the right arm and leg has so increased that it is apparent at a glance and dominates his entire appearance. The kaiser has become very corpulent, tho he eats little."

Having talked with countless persons who have visited the former emperor the correspondent sharply criticises some of them, "who afterwards tell tactless stories and stories based on misunderstanding."

He adds:

"The kaisers attitude is still soldierly, but he apears to have grown shorter. It is noticeable how slowly he speaks in contradiction to his old habit. He livens up only when remembrances of the old days come.

"Only pity can be felt for the kaiser on such occasions. No one who has seen him and is capable of responsible impression believes that this man, who is spiritually torn and shows it in his body, will ever play an active role in any form. By the grinding about his future which constantly torments him the deeepr impluse of his will are dulled."

In the opinion of the correspondent the former emperor has purchased Doorn House as proof that he has given up all thoughts of returning to Germany. "He no longer expresses the wish to return to Germany," says the writer "He believes Germany is lost. More than ever, he believes he has been betrayed."

The former ruler's leters are censored by Dutch authorities who are declared to be not naturally severe. The correspondent in an appeal for the former emperor says:

"It depends upon Amorengen being left quiet and forgotten. The last affront that threatens its resident can thus be most easily avoided.

SEEK DISMISSAL OF TEST CASE

WASHINGTON, Jan. 3.—The government today in a brief filed in the supreme court asked dismissal for lack of jurisdiction of the application presented by the Retail Liquor Dealers' association of New Jersey for permission to introduce original proceedings to test the validity of the national proibition constitutional amendment. Another brief brought by the State of Rhode Island will be filed next Monday.

"The real controversy," the brief said, "sought to be presented by the bill is one between the plainant and officials of the United States who are charged with the purpose of destroying the plaintants business under the power of the law which is in fact no law. This court is wholly with out original jurisdiction."

WOMEN HAVE AN OFFICIAL SLOGAN

CHICAGO, Jan. 3.—The women's price commission for Illinois will have an oficial slogan to impress conservation on the 70,000 club women who are assisting in the campaign against the high cost of living. The slogan Mrs. Maude A. Turley, secretary of the committee announced today reads:

"To market, to market
"To buy a fat pig;
"Home again, home again,
"Prices too big."

Motion pictures are to be used to spread the slogan.

WILLARD CLEARED OF PROFITEERING CHARGES

Kansas City, Mo., Jan. 3.—Jess Willard, former heavyweight pugilist champion was cleared of charges of profiteering in the sale of cord wood, and was discharged by United States Commissioner O. Q. Claflin in Kansas City, Kans., today. No witneses for the defense were heard. It had been charged that Willard had violated provisions of the Lever act in charging an excessive price for cord wood, cut from his farm near Topeka, Kansas.

NEW YORK AUTO SHOW OPENS

New York, Jan. 3.—The twentieth national automobile show opened today in two divisions—one at the Grand Central palace and the other at the Eighth Coats artillery armory. Passenger cars of 84 different makes ranging in price from $715 to more than $11,000, were exhibited. At the armory 69 makes of trucks were displayed.

ATTEMPTS TO ASSASSINATE GEN. DENIKINE

Copenhagen, Jan. 3.—An unsuccessful attempt has been made to assassinate General Denikine, head of the government in southern Russia, say advices to the Berlingake Tidende. One of his aides was killed.

WHISKEY THIEVES MAKE HAUL

Chicago, Jan. 3. — Whiskey thieves who used hand trucks to transport their loot across the sidewalk to a waiting motor truck last night stole liquor valued at $40,000 from a local wholesale house. Eighty-five cases and eight barrels are missing.

CONGRESS RESUMES WORK TOMORROW

Senate Will Take up Debate on Sedition Bill, While House Considers Berger

PEACE TREATY LATER

WASHINGTON, Jan. 3.—Members of the senate and house began to return today for reconvening of congress Monday noon. The senate will resume debate on the Sterling sedition bill penalizing attempts to overthrow the government while in the house the case of Victor Berger, Socialist, re-elected after the house had unseated him, is expected to come up. The house Monday also will hear speeches on the Irish and other questions and begin work on the many appropriation bills. Developments toward disposal of the peace treaty are expected next week but with few leaders entertaining hope for definite action much before February.

Compromise conferences continued today but the senate re-assembles with no tangible basis for a settlement.

The program of legislation includes army and navy policies and measures to deal with industrial disputes, development of natural resources and innumerable reconstruction problems.

The first legislation to be completed is the railroad re-organization measure and the oil, gas, coal and phosphate land leasing bill, both of which are in conference. Many hearings are scheduled, together with numerous investigations including inquiries into Bolshevik and other radical propaganda the navy war decision awards controversy, the federal trade commission and its employees, the coal situation, war expenditures, the Mexican situation and print paper conditions.

BRITISH NOT SEEKING A LARGE LOAN

NEW YORK, Jan. 3—The British treasury has notified J. P. Morgan & Co., its financial agents, that it is not seeking a large loan in this country, it was authoritatively stated here today.

The British missior made public tonight a cable message from the British treasury denying that Sir George Paish who arrived Wednesday is negotiating a large American loan for Great Britain. In part it said:

"The British treasury wish it to be known that the rumor has not the slightest foundation, that Sir George Paish is not in America in any official capacity and does not represent the British treasury. The proposal described in the rumor is diametrically opposed to the policy of the British treasury who will not borrow a single dollar from the United States for the purpose of loaning in Europe."

FRENCH PREMIER WILL MARRY

PARIS, Jan. 3.—Allusion to "the approaching marriage" of Premier Clemenceau to the widow of a "former senator and former ambassador of France" is made "Humanite" today. It is understood that this refers to gossip which has been current in Paris political circles for some days that M. Clemenceau had married Countess D' Aunay, widow of Count Charles Le Peletier D' Aunay, former ambassador of France at Berns. The marriage was said to have taken place in England a fortnight ago. An authority very close to the premier, however, declares the story is without foundation.

MANY IMMIGRANTS ON WAY TO AMERICA

New York, Jan. 3.—With hundreds of aliens being shipped from all parts of the country to Ellis Island for deportation as dangerous radicals, it was reported today 100,000 immigrants are expected on incoming vessels this month. Nearly 50,000 arrived last month and nearly 8,500 have landed in the last 48 hours.

WEATHER INDICATIONS AND TEMPERATURES

Illinois:—Fair Sunday, continued cold in north and central portions; Monday unsettled and warmer, probably with snow in north and central and rain or snow in south portion.

Temperatures.

The current, maximum and minimum temperatures as recorded Saturday were:

Jacksonville, Ill	24	24	– 5
Boston	18	22	10
Buffalo	10	12	2
New York	12	20	10
New Orleans	52	56	42
Chicago	8	10	4
Detroit	8	12	0
Omaha	30	34	14
Minneapolis	2	2	–10
Helena	14	20	10
San Francisco	58	62	44
Winnipeg	–14	6	–12
Jacksonville, Fla.	42	48	34

Washington, Jan. 3.—Weather predictions for the week beginning Monday are:

Region of the great lakes—Unsettled, frequent snows and low temperature.

Upper Mississippi and lower Missouri valleys:

Generally fair and normal temperature, but snow is probable the first of the week.

The bricklayers in Chicago are demanding a wage of $10 a day the coming season. Judged by previous demands for increases this will be granted. The wonder is that the requests for increased pay continue to come, the cost of production increases, and yet everybody believes that living cost should go down. There is a wide spread lack of logic, and also a lack of willingness to help in the going down process

Mayor Thompson of Chicago has done a lot of questionable things merely from the standpoint of patriotism and his record as a candidate for re-election to membership in the national Republican committee is therefore quite vulnerable. But the most thoro patriot must approve the mayor's action in recently causing to be distributed 35,000 copies of Lincoln's Gettysburg address. Now if the mayor can only see to it that the radicals both read and absorb this address, a great step will have been taken in wiping out undesirable sentiment

Now that the court injunction has been granted which requires among other things that the packers shall dispose of their holdings in the stockyards, there comes the natural question as to who will buy them It has been said that the stockyard are worth somewhere from $40,000,000 to $50,000,000, so that evidently a few men of large wealth or a great number with smaller sums available must unite if they take advantage of the court order.

If the farmers had begun earlier to organize they might by this time have funds available for undertaking even this great enterprise.

WOULD REPEAT "MORAL LESSON"

Sheriff Peters of Cook county was so pleased with his recent "moral lesson" in which he permitted inmates of the jail to witness a hanging, that he plans for another such event next Friday. His action in having the hanging in view of the jail inmates overrode protests of Chicago club women and Governor Lowden. If there is authority whereby the governor can prevent repetition of the proceeding, Sheriff Peters is likely to hear from Springfield in no uncertain way before Friday dawns.

PEOPLE APPROVE STRONG ARM METHOD

Nearly every day now seems to bring its report of government raids in the big cities against the reds. The number rounded up recently has passed quickly from the hundreds to the thousands. If all these men and women are classed as leaders, the number of their followers must indeed be considerable. This strong arm action on the part of the government is thoroly approved by about 99 per cent of the population, and the only regret is that the aggressive campaign did not get an earlier start.

THE RAILROAD SHORTAGE RECORD

The railroad administration can now point proudly to the fact that a new record has been established in monthly deficits. For the past month the deficit was only a little more than $64,000,000. While a few years ago this would have been accounted as a huge sum, the deficits which have piled up month after month under government control make $64,000,000 sound like a very insignificant amount.

Meanwhile there doesn't seem to be any remarkable progress at Washington looking toward the passage of railroad legislation which will afford the road owners the protection to which they are entitled when the properties are turned back by the government.

GIVE EVEN BURLESON HIS DUES

Give the devil his dues says the National Republican. The postal service improved greatly in 1919 over the 1918 record of demoralization and inefficiency. In the handling of first class mail the postal service is now almost as good as it used to be in the old Republican days. Second class mail does not move with the same rapidity or certainty. Considering the increased volume of business, however, and the fact that postal employes are underpaid and overworked to make a showing of mythical postal profit, it must be admitted that the Postoffice department, despite all that has been said about it, is probably at this time the most efficient department of the Wilson administration. As compared with Mr. Baker's War department it is a marvel of efficiency and economy.

STILL WORK FOR STATE POLICE BILL

Altho the state police bill failed of passage at the last session of the legislature, advocates of the measure are by no means disheartened. An active organization is still in force seeking to create sentiment which will bring about favorable action on the bill when the assembly meets again. It was opposition of organized labor that killed the bill. The representatives from farming districts were for the most part strong in support and it is that fact which has led the advocates of the bill to seek the aid of the Illinois Agricultural Association in developing public sentiment for this state constabulary.

This campaign is being pushed with such vigor thruout the counties of the state that there is now promise that a concerted demand from farm bureau memberships will be made on the next legislature for rural mounted police.

Reports from Canada, Michigan, Pennsylvania and Texas where state police are on duty, indicate that the patrolling of roads and the general aid rendered traffic have been of great benefit. The records show that in the last ten years Pennsylvania state police made more than 27,000 arrests and of this number 22 per cent were convicted.

GREETINGS TO MAJOR McDOUGALL AND THE BOYS.

Yes, the boys are old as the long Years have told,
But their hearts are as young today,
As when long ago never fearing the foe.
In the sixties they marched away.

They went 'neath Old Glory to battle-fields gory
That flag and our country to save,
And brought back with honor all those stars gleaming on her,
O'er Columbia forever to wave.

Now gone is their youth but I tell you a truth,
And prove me all wrong if you can,
For never I doubt that my theory you'll flout
That years do not measure the man.
Our boys number few who are wearing the Blue.
Let's honor them all while we may,
And cheer them along with a smile and a song,
Nor forget how they fought in the fray.

'Tis not a great task the blue army lads ask,
For service is all that they seek.
Then give them the test and to God leave the rest
For He strengthens the hands of weak.

Look up to Old Glory with her wondrous story,
And ask of her stars what to do,
And clear as a drum their answer will come.
"Remember our Boys of the Blue.'

S. A. HUGHES.

"CITIZEN'S PARK?"

In the discussion for a name for Jacksonville's new parkway and reservoir site a number of various titles have been suggested. Certainly the place should have an appropriate and suitable name and dedicatory exercises should be held at some not very distant date for this purpose.

Yesterday a man prominent in the matter of getting the water facilities to a successful conclusion for the city made a notable suggestion.

He believes that the name should be "Citizen's Park."

The name is certainly appropriate for a number of reasons. It is assuredly a park belonging to the citizens; it was made possible thru the united action of the citizens; it was the citizens who held mass meetings; it was the citizens who appointed a citizens committee to act in conjunction with the city fathers; it was the citizens who put thru a bond issue with a big majority of votes. The park marks a successful completion of efforts to secure an adequate source of pure water for the citizens of Jacksonville, brought to said successful conclusion, by the citizens and for the citizens. And we might add that it is the citizens who will pay for it and the citizens who will enjoy its ten-fold advantages.

Why not "Citizen's Park?"

Rippling Rhymes
By Walt Mason

Fooled Again.

They said this good old world would end, December seventeen; and fireworks of all kinds would lend their grandeur to the scene. I'd have to see this best of globes dissolve beneath my feet, yet I put on ascension robes with resignation sweet. "If, with the balance of the race I have to loop the loops. I'll do it with a smiling face," I said, to frightened groups. Resigned to seeing things explode, or pass in living fire, I gave away my chaste abode, my corkscrew and my lyre. I threw away my cherished pipe, a box of good cigars; "because," I said, "the time is ripe for me to climb the stars. I won't have use for worldly things, I'll care not for long green, when I have donned my shining wings, December seventeen." The fatal morning came at last, and found me in my room; the skies with clouds were overcast, as though with threat of doom. All day I waited for the crash of planets overturned, and passed up smokes and missed my hash, and for the climax yearned. I'm trying to regain the junk I lightly gave away; once more my fingers go kerplunk upon the harp all day. My faith in prophets, once so strong, is in the soup tureen, since I was bilked with all that throng, December seventeen.

Men's Overcoats in desirable woolens and latest models are shown by Frank Byrns Hat Store.

MR. AND MRS. W. A. JOHNSON GAVE FAREWELL PARTY

A very pleasant evening was spent, Friday, Jan. 2, at the residence of Mr. and Mrs. W. A. Johnson, 718 West Morton avenue when a novelty and farewell party was given their daughter, Mary who will leave this morning for New Work City. She will take up nurse training at the Lincoln Hospital and Home.

The evening was spent in various games and music was furnished by Misses Katherine and Gladys Hayden. The following were present: Miss Clara Davis, Joseph Taylor, Miss Missouri Harris, Cecil Yates, Miss Martha Wheeler, Walter Sayles, James Yates, Miss Grace Lewis, Misses Katherine and Gladys Hayden, Mrs. Ruby Rush, Carl Spencer, Misses Naomi and Alice Johnson. Out of towns guests were Mrs. Mary Jones of Chicago; Joseph Taylor of Lexington, Tenn. All good wishes were extended to Miss Johnson for her success and a poem, composed by Miss Clara Davis was read, entitled, "Dear Mary." This was enjoyed greatly by all, and to Miss Johnson it will linger always.

CARD OF THANKS

We wish to extend to the many friends our sincere thanks for their many acts of kindness and for the many beautiful floral offerings during our sad bereavement.

Mrs. C. E. Stevenson
and Family.

MARQUETTE TEAM LOSES TO SPALDING

Franklin Aggregation Loses at Peoria by Score of 34 to 17—Game Was Fast And Clean, Only One Foul Being Called.

Spalding Institute defeated the Marquette team of Franklin at Peoria Saturday night by a score of 34 to 17. The game was a fast one and clean, only one foul being called and that was on Spalding.

There was a large crowd present and the game gave satisfaction. The Franklin team was handicapped by the small floor and did not show its true form.

Spalding has an exceptional team this year and has played five games and won all of them. They are going after the city schoolastic championship of Peoria. The score:

Spalding	F.G.	F.T.	Tot
Gaity, f	4	0	8
Whalen, f	7	0	14
Donnelly, c	4	0	8
Goldard, g	2	0	4

COMPANY B WILL BEGIN DRILLING

Capt. James Announces That Beginning Monday Evening Weekly Drills Will Be Held—Coal Shortage Stopped Work.

Capt. W. R. James of Company B, Illinois Reserve militia announced last night that beginning Monday evening the company would begin to hold regular weekly drills.

During the recent coal shortage the regular drills were discontinued. Now that fuel conditions are normal, Captain James says work will begin in earnest and every member of the company is expected to be present. Roll will be called and drill started promptly at 7:30 o'clock.

D. O. K. K. NOTICE

Regular meeting Monday night, 7:30 o'clock. Every member come.

SUIT TO QUIET TITLE

A suit to quiet title was filed Saturday by Worthington, Reeve & Green, in the office of Circuit Clerk Boston. This is a bill brought in the name of Ashford Ator and directed against Frank E. Burbank, Sarah J. Hewitt and a large number of other defendants. The bill seeks to correct a number of technical errors to the title of lands located in the northeast part of the county.

Robert Warwick
—in—
An Adventure in Hearts

A Paramount-Artcraft Picture
Adapted from "Captain Dieppe," the famous Novel by Anthony Hope

HIS BLOOD WAS BOILING

His friend, married, and in another woman's arms! While he who madly watched, had honored him, held his home sacred, though he silently loved, and was loved by, the woman who bore this friend's name. There would be no holding back now! The bars were down—but wait! You're in for one of the biggest screen surprises of your life.

A picture of tricks of state and intrigues of love, of deadly foes, beautiful women and adventures that startle and thrill.

Robert Warwick in a smashing role and Helen Chadwick, Walter Long and Winnifred Greenwood in the big supporting cast.

THREE PAWNS OF FATE

And all were playing their own little games! Love, scandal, intrigue and a woman's wiles. Over them all—the menace of disaster. Entangling them all—the secret affairs of state. Engulfing them all—a whirling vortex of adventure. Beautiful women, sumptuous scenes, reckless deeds of daring, and thrilling battles of fists, swords and wits. With Robert Warwick, supported by a big, brilliant cast, in a role of a hundred sensations.

TOWNSHIP HIGH SCHOOL CARRIES IN WINCHESTER

Community Proposition Carries by Handsone Majority of 393 Votes—Election Brings Large Number of People to Town Saturday—Mrs. William Southwell Dies—Other Winchester News.

Winchester, Jan. 3.—The proposition of a community township high school for this district carried today by a majority of 393 votes. Women's vote: for, 235; against, 56. Men's vote: for, 412; against, 198. The balloting brought one of the largest crowds to Winchester of recent weeks and much interest was displayed in the outcome of the election.

During the afternoon the Winchester high school band gave a short program in the park. Owing to the low temperature prevailing the program was mada brief.

Mrs. Southwell Dies.

Mrs. William Southwell passed away at her late home on South Walnut street, at 1 o'clock Friday night, after an illness of many months' duration.

Mrs. Southwell's maiden name was Miss Mary Whewell. She was born in England about 75 years ago. She was united in marriage to William Southwell, March 18, 1867. Deceased is survived by her husband.

Mrs. Southwell was one of the highly respected residents of this community. She was a life long member of the Christian church. She was a woman of retiring disposition but always had a smile for everyone. While in recent years because of failing health she could not get about as much as usual or attend church regularly, yet there was always a welcome in her home for all who called to see her. Funeral services will be held Tuesday.

News Notes.

Miss Helen Taylor left Friday for Jacksonville where she will resume her studies at Illinois college.

Orien Woodson of Bluffs was a business visitor here Friday.

Misses Amelia and Olga Heironymus returned Friday after a short visit in Chicago.

Mr. and Mrs. W. H. Kinnison and daughter, Miss Helen, left Saturday for a short stay in Jacksonville.

H. P. Levis remains very ill at hime home.

WILL BE AT OFFICE.

Mrs.s C. O. Malone has returned from St. Louis and will be at her ofice in the Cherry flats Monday from 9 a. m. to 5 p. m. and thereafter as usual.

Lady Randolph Churchill praises Edison cabinets

THEIR exquisite art, their beautiful workmanship, so delighted this world-famous authority on furniture that she sat down and wrote:

"What an extraordinary man Mr. Edison is. First he perfects his phonograph to a point where its realism is astounding. Then he determines to make each Edison Phonograph, even the least costly, an attractive piece of furniture. His designers have succeeded in putting the character and feeling of the best periods into his phonograph cases. * * * * *"

A visit to our store will repay every furniture lover! Every Edison phonograph is now encased in a period cabinet. No matter what the decorative scheme of your home, there is here a cabinet, which meets your requirements, your taste—and your purse.

REPUBLICANS WILL HOLD CONFERENCES

Men and Women Party Officials to Meet in Chicago—Dinner in Honor of National Leader.

A. L. French, chairman of the Morgan county Central committee, Mrs. John J. Reeve, chairman of the Woman's Republican organization in the 20th congressional district ,and Mrs. W. L. Alexander, chairman of the Morgan County Woman's Republican committee, will leave tonight for Chicago. Monday night they will attend a dinner to be given at the Congress hotel by the Illinois State Republican Central committee and the executive committee of the woman's state Republican committee, in honor of Will Hays, chairman of the National Republican committee; Mrs. John Glover South, chairman of the women's division of the national Republican committee and Margaret Garrett Hay, chairman of the Republican women's national executive committee.

Monday morning at 10:30 o'clock and Monday afternoon there will be conferences of the state organizations of men and women. There will be still other conferences on Tuesday and on Wednesday morning at Hotel Sherman the district and county Republican women chairmen of the state will hold a meeting. In the afternoon the district chairmen will hold a separate conference.

Yesterday Mrs. Reeve made known the names of the chairmen of Women's organzation in most counties in this district. The appointments have been made in all counties except Calhoun and Greene, and there no names have the coming campaign, and the Mrs. Reeve has appointed county women chairmen after consultation with chairmen of the men's organizations.

It has not yet been determined in the counties of this district whether there will be an entirely separate women's organization in each county or a joint organization of both men and women. While some of the details remain to be worked out, it is very certain that Republican men and women will be very active in the work of been so much different in that fact that interests of both men and women are in common will be given due recognition.

The county chairmen appointed thus far are:

Brown—Mrs. J. R. Bell, Versailles.

Cass—Mrs. J. J. Neiger, Virginia.

Jersey—Mrs. Fred Edwards, Jerseyville.

Mason—Mrs. A. E. Tucker, Havana.

Menard—Mrs. George Wainsing, Petersburg.

Pike—Mrs. Earl F. Griggsby, Pittsfield.

Scott—Miss Ethel McClure, Winchester.

DORWART'S

WILL OF THE LATE J. H. HACKETT FILED

Document Filed Saturday Disposes of Large Estate—John S. Hackett Is Named as Executor.

Altho there is nothing in the document to so indicate, it is understood that the late James H. Hackett left an estate of large value. The will which was placed on record Saturday in the office of County Clerk G. L. Riggs, bears date of Feb. 25, 1919. By the provisions of this will Mrs. Mary Hackett, wife of the testator, receives all the household goods and the home property on South Main street, and has the use of the property for her life time. It is provided that the property may be sold under certain conditions if Mrs. Hackett so desires.

It is stated that no further provision is made in the will for Mrs. Hackett because of a previous and entirely satisfactory settlement. A like statement is made with reference to a daughter of the testator, Mrs. Eva M. Patterson, with whom a satisfactory settlement as to her proper share of the estate was reached some time ago.

The document then goes on to recite that the executor of the will will divide the estate in equal parts among the four sons, James G. Hackett, George A. Hackett, Charles H. Hackett and John S. Hackett. The last menioned is named executor of the will and provision is made that the other sons, if they so desire, may have equal right to examine papers relating to the estate.

The will provides further that if for any reason the four sons do not agree among themselves as to the division of the real estate or its disposition, that the matter is to be referred to Charles A. Johnson, vice president of the Elliott State Bank, as referee. The witnesses to the signature of the will were Charles A. Johnson and Elizabeth Dunavan.

GUY L. SHAW.

Candidate for Republican Nomination for Congress.

Elsewhere in this issue appears the authorized announcement of Guy L. Shaw of Beardstown as Republican candidate for member of congress in the lower house, for the 20th district of Illinois.

This congressional district is quite largely agricultural, and the farmers of this district feel they want one who is interested in their problems to represent them in congress; and because of Mr. Shaw's wide acquaintance with the conditions which confront the agricultural interests of the district, he has been urged by the farmers to become a candidate.

Mr. Shaw was born and reared on a farm in this district. His training and education was general, but largely along agricultural lines. He has been engaged in farming all of his life, except during the time spent attending the college of agriculture of the University of Illinois. For the past ten or twelve years Mr. Shaw has been engaged in farming and the management of farms on a large scale, which has given him a very wide experience in all of the phases of agriculture.

Mr. Shaw stand for constructive work along business and agricultural lines. While he feels that it would be an honor to represent this district in the lower house of congress, he is not seeking the ofice for mere glory or gain, but to do actual service for this district.

Few men are interested in the problems of farming and the general welfare of the people of this district as is Mr. Shaw. He is well qualified for the office which he seeks, and if elected, will devote his best efforts to making laws that will best meet the needs of the common people of this district.

MRS. McDONNELL'S WILL FILED FOR PROBATE

Will of the Late Mrs. Bridget McDonnell Filed for Record Saturday—Proceeds of Estate Bequeathed to Relatives.

The will of the late Mrs. Bridget McDonnell was filed for record yesterday in the office of County Clerk G. L. Riggs. In the first paragraph of the will the testatrix leaves the sum of $50 to her nieces, Misses Bridget and Maggie Dooley, for the care of the graves of the testatrix and her husband, the late James McDonnell. A bequest of $50 is made to the rector of the Catholic church of Jacksonville for the saying of masses. A number of personal articles and the sum of $850 is bequeathed to the nieces already mentioned. It is provided further that the executrices of the will shall convert all the estate into cash and then make equal divisions among Mary Dooley, Kate Dooley, Maggie Dooley, Nellie Dooley, Bridget Dooley, nieces, and Daniel Dooley, a nephew, and the children of Margaret Dooley, deceased sister of the testatrix.

The will was drawn June 14, 1910, with James McBride and Catherine McBride as witnesses to the signature. Bridget and Maggie Dooley are named to execute the will.

Good warm winter gloves for men and boys at KNOLES'.

HARD ROAD COMING DURING THIS YEAR

Route Thirty-Six in Highway Division Construction Program For 1920.

Morgan county people are finding a great deal of satisfaction in the recent announcement from the state division of highways that Route 36 is included in the construction program for 1920. Route 36 is the road which will run from Springfield to Jacksonville, thence to Pittsfield and still further west to Quincy.

It cannot be said, however, that there is certainty of this road being completed in the present year. Henry Frisch, president of the Chamber of Commerce, recently wrote to the highway division for further information. A letter to him indicates that the department cannot promise that all the routes mentioned in the announcement will be completed in an entirety during the 1920 season, but it is the intention to complete just as much of each route as conditions relating to labor and material make possible.

Route 36 is to cross the river at Florence and then connecting several of the principal towns of Pike county, will reach over into Adams and to Quincy. Judging from the Quincy papers, the people there are not pleased over this highway plan. They were at no time in favor of the route to Springfield via Pittsfield. It is their claim that this means the main road will run thru Hannibal and that Quincy will be on a spur.

It isn't possible to satisfy every city and the highway division officials evidently seem to think that there will be the least amount of trouble if they in the main follow the road plan as originally outlined.

Social Events

Mrs. Bancroft Entertained For Mrs. F. E. Baldwin.

Mrs. Horace H. Bancroft entertained a company of ladies at her home, 134 Westminster street Saturday afternoon in honor of Mrs. F. E. Baldwin of Chicago. Eighteen ladies were present and Bridge was played, prizes being won by Mrs. C. A. Johnson, Mrs. J. W. Hubble and Mrs. Baldwin. Following the play the hostess served refreshments.

Miss Eula Priest Hostess at Dance.

The home of Mr. and Mrs. C. N. Priest on West State street was the scene of a very pleasing informal dance and party Saturday evening given by their daughter Miss Eula Priest for a small company of friends. The evening proved most delightful in every way and at a late hour refreshments were served.

Gave Theater Party.

Miss Ruth Reynolds was hostess at a theatre party given Saturday afternoon in honor of Miss Betty Baldwin. The twelve girls in the party saw the pictures at the Rialto and then went to Peacock Inn for refreshments

Good warm winter caps for men and boys at KNOLES'.

MARRIAGE ANNOUNCEMENT

Jacksonville people will be interested in knowing of the announcement of the approaching marriage of Capt. Philip Haynes Schaff to Miss Jane Arms Booth. The ceremony will be solemnized Saturday, January 10, at 4:30 o'clock in the afternoon, at the First Presbyterian church, Youngstown, Ohio.

Captain Schaff is a son of Dr. D. F. Schaff, for a period of years pastor of Westminster church in Jacksonville, and in later years prominently identified with theological educational work.

RETURNS TO MOLINE.

Louis Connor who has been spending the holidays with friends and relatives in this city expected to return to his home in Moline this morning. Mr. Cononr formerly resided here, but has made his home in Moline for the past two years. He likes his new home very much but still likes to visit Jacksonville occasionally.

MISS LOUISE MILLER TO RETURN TO I. W. C.

Graduate and Former Instructor at College Will Take Place of Mrs. Florence Pierron Hartmann Who Is to Leave Institution February First to Be Married—Several Gifts Received—Other College News.

A change in the faculty of the Illinois Woman's College of more than usual interest, will be made at the end of this semester, February first, when the resignation of Mrs. Florence Pierron Hartmann is accepted and her place filled by Miss Louise Miller, a former student and instructor at the institution.

While Mrs. Hartmann's plans are not yet announced it is known that she is concluding her services as an instructor for the purpose of having a home of her own. It is understood that she is to be married in the near future, and the marriage is the cause of her resignation. Mrs. Hartman has been the capable instructor of the voice department at the I. W. C., for a period of eleven years and it is with the greatest regret that the college accepts her resignation.

In view of the circumstances of Mrs. Hartmann's leaving, the college officials feel that it is by the greatest good fortune that they have been able to secure the services of Miss Louise Miller. Miss Miller is well known in Jacksonville, having graduated from the Illinois Woman's college in both voice and piano departments. She has exceptional ability in concert work and for a time after leaving Jacksonville she engaged in vocal work of this character. For the past two years she has conducted a studio at St. Joseph, Mo.

Teachers Returning.

School will be resumed Tuesday morning at the college and several of the teachers are expected in the city today. Students will return today and tomorrow. By Monday evening practically all of the students are expected to have returned and prepared for the resumption of class room work Tuesday.

Visits Institution.

Mrs. Ellsberry of Mason City was a visitor at the college yesterday, bringing with her her niece, Miss Kreider of Kansas City, who is looking forward to attending the college next year. Mrs. Ellsberry's daughter, Leda, graduated at I. W. C., in 1905. Miss Leda is now Mrs. Dr. Byrd of Kansas City.

Gifts of Books Received.

About two weeks ago a large box arrived at the college containing books for the library. These books were from Mr. and Mrs. H. B. Lusch of Chicago. Mrs. Lusch is a sister of Miss Mothershead, a former dean of the college. Yesterday another shipment of books was received from the same source These books are to be added to what is known as the Mothershead memorial which has been established in the library by Mrs. Lusch, and has been added to by her, by students, and by various members of the faculty It forms a permanent part of the college library.

Liberty Bonds Received.

Dr. J. R. Harker stated yesterday afternoon that Friday he had received a package containing $1,000 worth of Liberty Bonds from a friend of the college. These bonds were not contributed to any special fund but will go to defray current expenses if needed.

Installing New Baker.

Workmen were busy yesterday unloading and installing a new gas bake oven, another gift from a friend of the college. The oven which has been in use at the institution was practically worn out and this new and up to date oven will fill all of the requirements of the school in the matter of baking. It was shipped here from Blodgett and Company, Burlington, Vermont. It has tile shelves, thermometer, and will bake eighty loaves at one time. All pies and pastry will be taken care of in this oven which is operated by gas.

With the Sick

Mrs. Harry Obermeyer who submitted to an operation for appendicitis at Our Savior's Hospital some days ago is reported as slightly improved. For several days her condition was regarded as critical.

Edward Kelly is slowly improving after being confined to his home on South Clay avenue for the past four months.

The report yesterday from Richard Boston, who is ill at the home of his son, Circuit Clerk C. W. Boston on South Main street, was not so favorable. Mr. Boston is weak after a long illness.

Matrimonial

Reynolds-Wilson.

H. H. Reynolds of Winchester and Mrs. Maude Wilson of this city were united in marriage at 6 o'clock Saturday evening by Justice Crum at his residence, 234 West North street. The ceremony was witnessed by Katheryn and Palma Wilson. The groom is a farmer and they will reside on a farm near Winchester.

How You Can Beat The High Cost Of Footwear

We offer these suggestions, we believe if followed your footwear bill can be reduced 25 per cent.

Take good care of your shoes, use a nourishing oil dressing to prolong the life of the leather.

Buy shoes that will yield the greatest service for the purpose intended.

Do not resort to the so-called style shoes with delicate soles and wooden heels for everyday wear. Confine the use of style shoes for the purpose for which they were intended.

Buy footwear for children of good material and have them fitted long enough so that the child will not outgrow them.

Have every little rip promptly repaired. Soles should be replaced before the shoe is worn through to the welt.

Your cooperation will perpetuate the life of footwear and will help conserve an under production of footwear.

MISS ETHEL MEETS WITH A SURE ENOUGH SURPRISE

"Hello, Ethel, this is May speaking." "O, yes, I thought I knew your voice." "Why, Ethel, can you come over tonight? I have something great to show you. I know you will be surprised." "Why, let's see. Yes, I can come, and will be over in about an hour or so." "O, I am so glad you can come. Good-by. Now hurry over."

"Hello, Ethel, come right in." "Why, May, where in the world did you get such beautiful furniture and rugs—and oh, look at that wonderful grafonola!"

"Ethel, I knew you would be surprised. I went down town and went into the People's Furniture Co.'s store on South Sandy street. Gee, everything was so reasonable and nice I just bought all my furniture, rugs, etc., there—and then I started out when the salesman asked me to listen to their latest Pathes. Well, I wanted one, and with their wonderful terms I had one sent out with the furniture." "Well, May, you sure were lucky." "Why Ethel, you can do the same. A little down and a little each week will furnish your home complete.

Bert Young Saturday sold to Mrs. A. C. Foster, Vandalia Road, a 1920 Model "Victoria" Cadillac. The car is dark green in color, upholstered in corduroy plush, all trimmings sterling silver. This is a most beautiful motor and is the first to be bought in this county.

THE HALF CENTURY MARK

Yesterday was the fiftieth birthday of Charles T. Mackness. A few of his friends remembered that it was the anniversary of his birth and so naturally extended their congratulations. Mr. Mackness has not arrived at the time of life to be called sensitive about his age, especially if he takes time to consider what he has accomplished with the passing years. According to the present day business standards he is quite a young man still, altho he has turned off enough mental and physical work to class him as a veteran.

Mr. Mackness is very properly accounted as one of the best and most progressive business men of Jacksonville. And by the way, he has a lot of local patriotism which contributes to the value of his citizenship.

TWO DIVORCE SUITS FILED SATURDAY

A suit for divorce was filed Saturday in the office of Circuit Clerk C. W. Boston, by Bellatti, Bellatti & Moriarty for Clyde M. Sanders. The complainant is seeking divorce from his wife, Sadie Sanders, to whom he was married March 2, 1912. Desertion is the charge made, and Mr. Sanders says that his wife left him in November, 1917.

Another divorce suit was filed Saturday was that of Curtis Williams vs. Nettie M. Williams. The bill as filed by Wilson & Butler indicates that Mr. and Mrs. Williams were married at Fulton, Mo., and the wife is charged with desertion.

Mr. and Mrs. Thurlow Pratt of Chapin precinct were among Saturday visitors in Jacksonville.

Dr. A. E. Obermeyer of Arcadia was a business visitor in Jacksonville Saturday.

Men's Overcoats in desirable woolens and latest models are shown by Frank Byrns Hat Store.

PUBLISHES BOOK ON "GREEK HOSPITALS"

Dr. Carl E. Black's Latest Publication Just Off the Press.

Copies of Dr. C. E. Black's latest book "Greek Hospitals" were received in the city yesterday, the publication being just off the press. Dr. Black recently received some newspapers published at Athens reviewing his work. One paper "The Progress" printed a two column article containing a very complimentary review stating that the organization of the hospitals of that country had been started and that the spirit of the work performed by the American commission of which Dr. Black was a member formed the basis of the re-organization.

Dr. Black visited practically every hospital in Greece and the publication contains a survey and critique of the institutions there. The work constitutes a book of about 150 pages, and is well illustrated.

WANTED — Some good steady girls. Apply Ward Brothers Book Bindery.

WILL TALK ABOUT PROPOSED SWITCH

Alton Road Has Found Objection to City's Plan—Officials Will Meet in Chicago Monday to Bring About Better Understanding.

The question of building a switch extending from the C. & A. track to the proposed light and water plant to be built by the city next spring was approved by local and divisional officials and then sent to general headquarters. Since that time there has been some hitch in the matter and the information was recently sent to the city authorities that the grade of the track at the point from which the switch is to start does not make it safe to build at this point. In order to get at the exact facts in the matter and to straighten it out, and at the request of Alton officials, Mayor Crabtree, Alderman T. A. Chapin and H. L. Caldwell, engineer, will spend tomorrow in Chicago.

Surveys have been made and it is believed that when the Alton officials get a thoro understanding of the matter that the necessary authority for the building of the switch will be secured. The track grade just south of the point where it is proposed to build the switch extension is not as great as at many places where switch extensions have been made.

It was on the theory that the track grade made the building of the switch a menace to fast traveling passenger trains that the Alton managers have indicated it is not feasible to build a switch at the point suggested. However, it is believed that when the Alton officials come to a clear understanding of the exact plan of construction that the city authorities have in progress, that all obstacles to the construction of the switch will be removed and that there will be authority given which will permit construction work to begin at a comparatively early date.

As has been indicated before, the local authorities are anxious to have the switch constructed soon so that it may be utilized for the transportation of material and supplies which are to be used in the construction of both the filtration plant and the power plant. The building of such a switch will mean a considerable less cost in the construction of these two plants, for the switch would do away with the expensive wagon haulage of heavy materials and equipment.

The Ladies Aid of the Christian church at Woodson will serve lunch at Mrs. Eva Megginson's sale Jan. 6 and at Mr. Louis Baptist's Jan. 8. All members requested to bring or send two pies.

HOME FROM MISSOURI

Mr. and Mrs. Thomas H. Buckthorpe and son Tom, and Dr. Robert R. Buckthorpe, have returned from a holiday visit at the home of Mrs. Buckthorpe's father, Mr. Cox of Oto, Mo.

Mr. Buckthorpe said yesterday that the weather conditions have ben so much different in that locality that the farmers are now engaged in plowing. There is a good deal of stony, thin land in that locality but the farmers the last year or two have found it very profitable raising tomatoes and other vegetables. The result has been the establishment of a number of caning factories.

IT'S EASY TO SKID.

It is worth the while of car owners or drivers to note the danger of skidding on the snow-covered pavements. Several cars were near collision on Jacksonville streets yesterday. Friday evening T. H. Buckthorpe collided with a car driven by Mrs. Charles West at the corner of College and South Main streets. As Mr. Buckthorpe sought to avoid collision with the other car his own skidded and in such a way that the fender was torn off and some other damage done to Mrs. West's new auto.

WILL END VISIT HERE

Judge F. E. Baldwin will leave tonight for Chicago after spending a number of days in Jacksonville. Mrs. Baldwin and Miss Betty Baldwin will tomorrow morning go to Carlinville to spend two or three days before returning to Chicago. While in Jacksonville they have been guests at the home of Mr. and Mrs. Felix E. Farrell.

TRACTOR SCHOOL IS TO BE HELD AT UNIVERSITY

Problems of "Iron Mule" Will be Threshed Out at Short Courses Given this Month and Next Month.

Urbana, Ill., Jan. 3.—Are you rather doubtful about the wisdom of using a tractor on your farm? Or do you already own one but don't know all you should about it?

All right! Come to the University of Illinois some week in January or February and attend the tractor school to be conducted by the Farm Mechanics Division. All the problems of the "iron mule" and "gasoline horse" will be threshed out at that time.

The school will consist of six one week courses with a limitation of 25 students to each course. Twenty-one hours will be devoted to lectures and 22 hours to practical laboratory work.

The lecture work will cover the construction, theory, operation, maintenance, and repair of gasoline engines and oil burning tractors. The laboratory work will consist of practical work in engine and tractor operation with special study on magnetos, carburators, engine timing and wiring, trouble work and adjustments.

More than twenty-five makes of gasoline engines have been installed in the laboratories and it isplanned to have some 15 representative types of tractors on the floor before January 1. Each week's course will begin at 8 a. m., Monday morning, and run eight hours per day until noon on the following Saturday.

Permission to register in the tractor school will be granted in the order in which the applications are received. Registration will be held on January 5 and 12, and February 9, 16 and 25.

M. E. Jahr of the farm mechanics department is to be in charge of the courses.

Regular meeting of Musicians Union Local 128 A. F. & M. at Labor Temple Sunday morning at 10:30 o'clock. Election of officers.
John Kearns, President.
Adam Ehrgott Jr., Sec'y.

THE SALVATION ARMY . . EAST COLLEGE STREET

"New Beginnings" will be the subject for the Sunday morning Holiness meeting at 11:00 a. m. This will be preceded by the County Jail service at 10:00 a. m. where some very fine meetings have been held of late.

2:00 p. m. the Sunday School study will be about "Joshua, the New Leader". The Sunday School has been growing continually and you are invited to swell the number today.

3:15 p. m. the Young Peoples Society, the Young Peoples Legion meets at this hour, to which all the older young people are cordially invited.

8:00 p. m. the Sunday night service will take the character of a New Year's service and Ensign Frank Sherwood will have a special subject for the occasion. These services are growing in interest and attendance, and there will be a cordial reception for you and your friends.

Ensign & Mrs. Frank Sherwood
Officers in Charge.

Good warm winter underwear and shirts for men at KNOLES'.

MAKE REPORT ON ANNUAL DINNER

Ensign and Mrs. Sherwood of the local branch of The Salvation Army wish to heartily thank all who so kindly helped in giving the annual Christmas dinner and Christmas tree in Jacksonville, both those who gave of their time and also those who gave of cash and provisions.

The Christmas festivities were up to par as far as the number taken care of, both at free basket dinner and also at the Christmas tree on New Year's night. There were some 61 well filled baskets distributed and there were 175 children at the Christmas tree who were given candy, nuts and oranges.

There was only one thing to hinder giving even a better Christmas dinner and better Christmas tree and programme, and that was the lateness in the year at which Ensign and Mrs. Sherwood arrived in Jacksonville, thereby making the time so short for them to make and carry out their plans for the Christmas activities, they having arrived here about Thanksgiving time.

There will be a continuance of winter relief work from time to time as Ensign and Mrs. Sherwood learn of worthy poor families. There is a continual call for cast-off clothing, and also an occasfonal call for provisions, if any one desiring either to contribute provisions or new or cast-off clothing will inform Ensign and Mrs. Sherwood at 108 East College street, or call them on the Illinois Phone No. 50-1342. They will be glad to call for the same and distribute the same to the needy poor.

MOOSE, NOTICE

Regular meeting Monday night. All members requested to be present. Important business.

L. W. Garner, Dic.
Chas. Blesse, Sec'y.

REAL ESTATE TRANSFERS.

Emery Stumborg to Richard Stumborg, pt. west half southeast quarter, 18-15-10, $800.

Flora Stumborg to Richard Stumborg, same tract, $800.

John German by master in chancery, to A. W. Sturdy, south half north half southeast quarter, etc., 15-14-11, $4,777.

We are accepting delayed shipments and balances on orders due us of winter goods which we should have had two months ago. We take them now because the values are good, much lower than we could replace at this time. We're not speculators so you can buy them here now, at the same low basis we bought them.

Essex Beauty Sets New Auto Standard

The First Demonstrator Received by

D. N. James Automobile Co

Amazed Local Motorists by its Wonderful Performance

Setting new standards of automobile beauty, economy and performance, the first Essex demonstrating car received was the center of interest for local automobile enthusiasts this week.

The car, a five passenger phaeton, is attractively finished in satiny, dark green. It has the smart, square lines which have been so widely copied during the past year. In every detail of finish, from its deep luxurious upholstery to its slanting wind-shield, it is comparable only to the most costly cars on the market.

Possessing a flexibility and a seemingly unlimited reserve of power, the performance of this Essex is little short of miraculous. Tests have proved its ability to accelerate from a standing start to 20 miles an hour in 2 5-6 seconds and to 30 miles an hour in 5 2-3 seconds. No hill, however steep, can stop it and it rides over the roughest roads with the ease and comfort of a car of much greater weight.

Aside from its wonderful performance, one of the most distinguishing characteristics of the Essex is a notable simplicity of design. The engine is just a clean block of metal. Every excess part has been eliminated, making the task of the owner who cares for his own car a pleasure instead of a burden. The use of shutters on the radiators eliminates the necessity of covering the hood with unsightly bandages to retain the heat in the winter and permits of the utmost ease of starting even in the coldest weather.

Nothing but the very finest of materials and workmanship are used throughout the Essex. Its design incorporates the experience gained thru ten years of achievement in building fine cars. The proof of this is to be seen in its performance which has amazed the motoring world. It is built in the Hudson factory in Detroit and is backed by one of the strongest organizations to be found anywhere in the industry.

In 1919 its popularity was such that 20,000 Essex were built and sold and the demand in all parts of the country today is greater than ever. Although the factory capacity has been greatly increased the number we have been able to obtain is strictly limited and is far below what we needed to satisfy our customers.

UNUSUAL FEATURES IN CROP CONDITIONS

Interesting Review of Grain, Crop and Market Conditions Made by Well Known Expert.

N. W. Snow, crop expert for Bartlett, Trazier Company, and a well known authority on grain, crop and market conditions recently published the following informing review of the grain market for the past year:

The agricultural record of 1919 was a year of price changes, marked by radical extremes of exalted expectation and decreased foreboding, but with a final outcome that furnished a striking evidence of American resources, both in soil and in the energy, industry and intelligent utilization of opportunity by America's farming population. In spite of labor shortage, and in the face of difficult climatic conditions, the volume of production was high, not record breaking but sufficient. The farmers of America, at a time when unrest has gripped productive labor in every other direction, and when the economic disturbances of the war have been aggravated by curtailment of production in general industries, have been the one class of labor that accepted its responsibilities and measured up to its duty. There were no slackers on the farm, no shortening of hours or of effort, no shrinking from the burdens imposed by a hungry world. The American farmer stands forth in this year of trouble, one man who with clear eyed vision and calm understanding seeing his duty has done it. Unaffected by clamor, uninfluenced by specious class propaganda, he has worked that the world might be fed, becoming the greatest steadying influence in the maintenance of the social order that has been builded upon 2,000 years of human experience.

Farmers Did Great Work.

The volume of farm production, when the true history of these troublous times is finally written will be hailed the factor that saves the world from post war political cataclysm.

Wheat. From a promise that at one time it seemed scarcely possible to exaggerate, the wheat crop steadily shrank until an outturn of only moderate proportions and very moderate quality was secured. Drought in many districts, floods in a few, illustrate the extremes experienced by winter wheat, while heat, blight and rust decimated the spring sown crop. With a total harvested wheat acreage nearly one-fourth larger than in 1918 the total wheat crop finally measured only 2 per cent greater. The total wheat crop of 940,987,000 bushels is with an abundance of general foodstuffs furnished an ample supply for our own necessities and with moderate economies will permit of the sale abroad of all that is needed to supply European wants.

Corn and Oats.

The volume of corn production 2,017,450,000 bushels, neither meets early extravagant expectations nor does it accord with mid-summer pessimism. It is a crop of practically pre-war proportions grown upon a pre-war acreage and furnishing a supply adequate for all domestic wants. With the gradual improvements of shipping facilities, corn supplies from Argentine becomes increasingly available, leaving us with a production which balances well with our needs for home use.

The oats crop is our one distinct cereal disappointment, both in volume and in quality. Weather conditions were unfavorable both early and late, so that the yield was below normal and the weight and quality inferior. By reason, however, of the stimulated war acreage the volume of the crop at 1,248,310,000 bushels is above the pre-war standard and should meet domestic requirements, but cannot be material relied upon for any unusual export demand.

Other Crops.

The other cereals are in moderate supply, less than in recent years but in excess of the volume required to meet our own needs before the war. Other food crops are ample but not excessive, necessitating careful economy in use but not threatening any failure of an ample and well balanced national dietary.

Agriculture has functioned well, during these trying times, and the American farmer is entitled to a full measure of reward for his intelligent and wholehearted effort to measure up to the demands made upon us.

SHE LIVED MONTHS ON BREAD AND MILK

Mrs. Vetter Gains Fifteen Pounds and Gets Rid of Twelve Years' Trouble.

"My twelve years of troubles have not only left me since I began taking Tanlac but I have gained fifteen pounds besides!" was the statement made by Mrs. Frank Vetter who lives at 1706 E. Miller St., Springfield, Ill., a few days ago.

"I have been in poor health for about twelve years," she continued, "and during the past several years my condition has been serious. I had such a bad case of indigestion that I had to live most of the time on such things as bread and milk for if I touched any solid food at all I would be in misery for hours afterwards. I would have terrible cramps in my stomach, and gas would form and press up around my heart so bad that I would have to gasp for breath. Sometimes I had blinding dizzy spells so bad that black spots would come before my eyes and I could hardly stand on my feet. But my worst trouble was in my back, why the pains were so awful I couldn't go up and down the steps without my back hurting me, and in fact it kept me in misery nearly al the time. I had severe headaches so often I thought they would run me wild, and I lost so much sleep that I felt weak and miserable all the time.

"This was just how bad I was when my sister told me about Tanlac and advised me to try it. I took her advice and now I am certainly glad I did because it has overcome all my troubles and I am a well and happy woman. Everything I eat agrees with me perfectly and I am so hungry all the time I can hardly get enough to eat. I don't have those blinding dizzy spells any more and the best thing of all, is that the pains in my back have all left me. Headaches never bother me now and I can sleep all night long as sound as a child. I have gained so much weight and strength that I don't feel like the same person and I can do my housework with ease. I give all the credit for my wonderful recovery to Tanlac and I do not hesitate at all in recommending it highly."

Tanlac is sold in Jacksonville by Coover & Shreve; in Meredosia by Mr. R. B. Field; in Murrayville by M. E. Gilbert; in Waverly by Wyle Drug Co.; in Woodstock by The Hoy Pharmacy; in Chapin by John Onken & Bros., and in Alexander by Frank J. Kaiser.—Adv.

ILLINOIS COLLEGE NOTES

Illinois College students will resume their work on the Hill Monday afternoon, January 5. Several boys and girls returned from their Christmas vacations Saturday.

A large number of contributions have come in towards the College Endowment Fund during the holidays and it is expected that President Ramelkamp will make a report on the progress of the campaign at the first chapel exercise on Tuesday.

The Pipe Organ which was donated to the Conservatory of Music by Mrs. E. W. Blatchford of Chicago has arrived and the parts have been placed in Academy Hall. The organ will probably not be installed in the Recital Hall until some convenient vacation period.

Professor Isabel S. Smith, in addition to spending a few days at her home in Oberlin, Ohio, during the Christmas vacation attended the Student Volunteer Convention at Des Moines, Iowa, and also attended the meeting of the American Association for the Advancement of Science in St. Louis.

Professor J. H. Colton, '11, of the State Normal School at Minot, N. D., and wife were visitors on the campus Wednesday. Among the alumni and former students who returned to Jacksonville for the Christmas holidays are following: Hansel Wilson, '17, William Berryman, '17, Karl Hill, '18, Wallace Hembrough, '19, Veranz Coover, ex-20, Betty Ames, ex-'21, and H. V. Carmichael, '19, Lucius S. Smith, Jr., ex-'18, of Lyman, Colorado and Dean Cochran, '18, who is attending the Colorado Agricultural School, at Fort Collins, Colorado, were also visitors on the campus during the past week.

PASTOR ENTERTAINS ENDEAVOR SOCIETY

Masquerade Party Given New Year's Eve — Woman's Club Gave Reception on New Year's Day—Ashland News Notes.

Ashland, Ill., Jan. 3.—Rev. C. A. Burton and Harry Camp entertained the Endeavor Society of the Christian church New Year's eve with a masquerade party. About fifty masked and their make-ups were exceedingly good. A nice programme was rendered and refreshments were served. Needless to say the evening was much enjoyed. The last number of the lecture course composed of a musical quartette from Chicago was given New Year's night at the Methodist church. They were appreciated very much by the audience.

The Woman's Club New Year's Reception was held at the home of Mrs. George S. Bergen. A reading was given by Mrs. Walter Adkins and two beautiful solos were rendered by Rev. J. A. Betcher of the M. E. church and the home orchestra played throughout the afternoon. Brick ice cream and cake was severed and the afternoon was very pleasantly spent.

Miss Etta Pergrem and Glenn Petrie of Pawnee spent few days this week at the home of the former's sister, Mrs. J. L. Snyder.

Miss Lutie Beggs returned to Springfield today after spending New Year's day with home folks.

Mrs. Marvin Burton and little daughter Lucile Virginia returned to their home in St. Louis Tuesday morning after a few days visit with the Charles Bailey household.

Miss Virginia Beggs returned home Wednesday after a three months visit in the east.

The ladies of the Baptist church served a grand New Year's supper Wednesday evening.

Joseph Jenkins returned home this week from France, having received an honorable discharge.

Rev. C. A. Burton left Thursday morning for St. Louis, after a short visit with his brother there, he will go to his new home in Smith Center, Kansas.

Harry Price and George Smith left today for Missouri on a business trip.

The members of the Christian church gave a farewell reception last Monday night for their pastor. The house was well filled and nice talks were given by the neighboring pastors and music and reading were also rendered.

George W. Bailey returned home from Jerseyville Friday evening after a few days business visit.

J. J. Hallihan and C. Jackson of Bloomington were Saturday business visitors in the city yesterday.

Your Furniture is Worth Keeping

If you want to sell it we are glad to buy. But, if you want to keep it we can do for you the same thing we do for ourselves, put it in condition so it is attractive. Our charge for this service is less than usual. At this season when business is quiet we can quote you a lower price than would be possible later when we are busy with regular trade. Ask us for a price on this class of work and make comparison.

We offer this week these items, each worth much more than the price asked.

Mahogany finished rocker, refinished $4.00

2 brass Table Lamps, gas or electric either $4.00

26x45 inch all Quartered Oak Library Table, practically new, new price $40.00 ..... $21.00

Herrick Refrigerator in first class order, guaranteed. Side icing, 75 pound $13.50

Cast Range, in fine order, standard make, new price $65.00. Guaranteed to be satisfactory $22.75

New No. 16 Quincy Heater, burned two weeks. Cost new $32.50. A new stove at half price $18.00

2 hole laundry stove, new. Used two weeks; full size .. $8.50

Round gas heating stoves close out at each $2.50

Reed Baby Carriage, reversible gear, in good order. New upholstering $15.00

LETTER FROM CHAS. E. STORRS

Min River, Fukien, China, October 19, 1919.

Dear Friends of Shaowu:

My jerky little "sparrow" boat has ceased for the night its erratic course up these white foaming rapids and across the quiet still stretches toward Shaowu. I have finished my supper of bacon and eggs, toast, gingerbread, and cocoa. Yes, the boatman offered me some of their rice and greens, but I had a good Chinese meal at noon time with a preacher friend and preferred now comething from my own slender larder. Because it is Sunday we have been making only a 'Sabbath day's journey" a few miles up stream to a point from which I could walk up a smiling valley, golden with ripened rice fields, and from mountain rim to mountain rim millions of miles of bright sunshine piled on top of us. It is a glorious time to be out of doors.

Ask Dr. Patton, secretary of our board, if it is not. He has just been a ten day round of about 200 miles with me through the south and west part of our great parish and down the Kien Ning branch of the river to Yang Keo. From that point Mr. Kellogg is escorting him and Mrs. Patton back to Foochow and the beaten tracks while I make my way back to our own little metropolis. Part of our journey has been by chair, part by "shanks mare," and part by boat. The chair travel is the part that you home friends would find it most difficult to fancy, for America has no such little cobbled paths, called roads, that climb right up, up long flights—would they were—of stairs to the summit of separating ridges and then sometimes with hardly a pause for the splendid views, pitch right down into the next valley. The chair is a light bamboo affair slung on two long stout bamboo poles, and covered with a frame and oiled paper. We foreigners insist on riding with the sides up in pleasant weather so as to enjoy the smiling country through which we pass as well as the smiles that we create. Those of you who know Dr. Patton will not wonder that we had four men for his carriers with a relay of two trotters.

We visited seven of our little churches and three other points where we had schools. We passed unmolested and unchallenged from the jurisdiction of the north to the section held by the south and back again, and found little to choose in the matter of rotten government debauching the people with authorized gambling at fairs and the returning sale of opium. We both feel that except for the bright spots of Christian evangelism, China is fast sinning away its day of grace.

What Dr. Patton will report as the most remarkable thing of this trip I can hardly guess. I scarcely think it will be the peaceful sleep of his missionary escort while dogs under our noses and far and wide made the night sonorous, nor even the strings of firecrackers and the original hymn of welcome sung at various points to the tune of "Precious Jewels." Maybe he will like to remember longest the five women, all wives of earlier church members, and one man whom he baptized and welcomed into church fellowship at one of our evening services in the sturdy little church of "New Bridge" close to the Kiangsi border. That is an unusual proportion of men and women, for us a happy one, for, unlike the home communities, in China more men than women are church members. The women being more conservative religiously, and, until very recently moving about much less freely than the men, are the stronghold of paganism in the home; so that is a happy day when we round out the whole family in the church fellowship. And these were very intelligent and well prepared women too.

Probably, too, Dr. Patton in some story telling group will relate how we thought we had put one over on the forces of paganism when after a many bowled funeral feast, he preached a strong Christian sermon for the new young learner who was burying his father, deceased two years before. It was a fine audience of gentry and shop keepers and relatives of the family. I think they practically all got the message of how Jesus Taught us to Think About Death. The family feel sure that they are on the right track for a little grandson has come to them since their interest in Christian things began. They showed him to us with much pride just before we left. What was our chagrin the next day in passing the door to find the feasting and the piping still going on, but, praise be, so far as we could find out, none of the distinctly pagan or idolatrous performance so characteristic of such occasions.

Dr. and Mrs. Patton's visit has been a great cheer and blessing to us and we hope a great boon to the work, for we trust that some of you forthwith are going to help him and us open that new Kien Ning station, 80 miles southwest of Shaowu with the needed men and moneys. It makes one ache to think how long it must be at best before that ripe harvest can be more than staked out.

At Shaowu I am wondering how my 94 school boys fare during this agreeable diversion of their school master. I'm wondering how many workmen will have to be fired from the two building jobs going on when I discover who has been loafing or botching things. I'm wondering too, what our new missionary, Miss Burr, looks like. We hear glowing reports both from across seas and from the Foochow friends who have met her. We just missed her by a day at Yang Keo coming up the river with the McClures. Even the Chinese there had heard of her ill fortune at Foochow in having thieves make away with her leather satchel from the house of a missionary. I trust Shaowu though we do have thieves now and then there.

We picture Miss Burr as the first of that long list of new missionaries, more than a dozen, for whom we have been calling on the board for some time now, doctors, and preachers, and teachers, single and double. Just write the board about them, some of you young people who want a really hard and worth while life task. It is time that this great parish of ours, big as all Massachusetts, our own special field, had more than five families and five single women assigned to it for its missionary work.

This report letter—I fear it is somewhat belated—will reach many of you when the glad old Christmas season is drawing on, and your preparations for it occupying much of your thought. Include in them, won't you, prayers and gifts for the King in the part of His Kingdom where He is still so little known or welcomed. China may sin away her day of political grace, but the King's grace has only begun to come to this ancient, needy people.

With cordial Christian greetings, faithfully yours,

Charles L. Storrs.

December 22, 1919.

Box supper will be given in the basement of Alexander M. E. church, Thursday evening, January 8th; also oyster supper and entertainment, for benefit of Sunday school.

RETURNS FROM JEFFERSON CITY

Miss Susie Lynch has arrived home from Jefferson City, Mo., after spending a most pleasant vacation with the former pastor of Mt. Emory Baptist church, this city. Dr. E. L. Scruggs and family are now located at Jefferson City, Mo.

While in Jefferson City, Miss Lynch was royally entertained both by the doctor and his family and members of his church and friends. Aside from visiting many of the business places there, colored included, Miss Lynch also visited the State Penintentiary, Lincoln Institute, State Normal for colored students, and the Missouri State Capital which was recently erected at the cost of $3,000,000.

Dr. and Mrs. Scruggs and Miss Bernice are doing wonderfully well at Jefferson City, far better than any of them had anticipated. They live in a desirable neighborhood, have a nicely built brick church, and a most modern thirteen-room brick parsonage.

Aside from pastoring the largest and finest negro church in the city, also one of the best in the state, Dr. Scruggs is teaching some of the Senior Normal classes at the Lincoln Institute, the State Normal.

After one years' service, pastoring in the Second Baptist church there, appreciation was shown him by a substantial increase in salary.

Mrs. Scruggs is taking a commercial course and post-graduate work with the Senior Normal classes for the purpose of securing a State's Life certificate. This Spring she and Miss Bernice will both graduate at the same time; she from the Senior Normal, and Bernice from the High School.

NOTICE

ALL ACCOUNTS ON OUR BOOKS ARE NOW DUE AND A PROMPT SETTLEMENT WILL BE MUCH APPRECIATED.

J. HERMAN.

Miss Bernice L. Hunt of Virginia was a Saturday shopper in the city.

EXPLAIN MISSIONARY WORK TO STUDENTS

DES MOINES, Iowa, Jan. 2.—Practical forms of missionary work in the field were explained to the students at the convention of the student volunteer movement forf foreign missions this afternoon. Speakedsa t sectional meetings told of actual work of missionaries in introducing modern agricultural, industrial and medical methods among the peoples they teach.

O. O. Stanchfield of Madras, India, before the agricultural section explained how missonaries at madras had established the Christian Central Co-operate Credit bank thebu siness of which was to finance worthy persons in Madras at rates of interest not usurious.

Samuel Higginbottom of Allahabad, India, credited with having adapted the American plow to use in India, was another speaker.

Tomorrow's sessions will be devoted to a general meeting, in the morning, at which the subject will be "we have a gospel indispensible to all mankind." The convention will close Sunday.

MISS MOORE WILL PLAY AT MEETING

Miss Clara Moore of the Faculty of the Woman's College will give several violin numbers at the regular meeting of the Woman's Club meeting which will be held January 10th at the Odd Fellows Temple. Miss Marjorie Taylor will accompany Miss Moore Miss Moore will play "The Litany" by Schubert and the "Spanish Dance" number eight by Farafate.

Good warm winter clothing for men and boys. KNOLES'.

COURT OF HONOR

Court of Honor will meet Monday night, January 5th. Full attendance desired.

RETURNS TO AURORA

Miss Margaret Walsh returned to Aurora, Minn., Friday morning after spending the holidays with her parents Mr. and Mrs. T. M. Walsh.

WORLD'S PURE FOOD EXPOSITION CHICAGO

CALUMET BAKING POWDER CO.

EXPOSITION INTERNATIONALE D'ALIMENTATION ET D'HYGIENE PARIS 1912

PARIS EXPOSITION PARIS FRANCE

Wishes You

—turn over a new leaf—
a clean, white page upon which will never be recorded a bake-day failure or extravagant baking costs. Resolve *now* to use Calumet—and then ***use*** it.

Calumet is the most dependable leavener made—because it is made in a manner that abolishes all uncertainty! Every baking in which it is used is sure to be perfectly raised, feathery light and wholesome.

Makes Most Palatable And Sweetest of Foods

It is the most economical leavener—because you save when you buy it—moderate in price; you save when you use it—has more than the ordinary leavening strength—therefore you use less; you save materials it is used with—no spoiled bakings.

Made in the largest, most modern and sanitary baking powder factory in the world. Used by more chefs, restaurants, hotels, railroads, Domestic Scientists and housewives, than any other brand. Contains only such ingredients as have been officially approved by U. S. Food Authorities.

Try it! Start the new year right.

"BEST BY TEST"

a happy new year

INDIGESTION

At once!—"Pape's Diapepsin" corrects your Sour, Gassy, Acid Stomach—Relief awaits you!

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

When your meals don't fit and you feel uncomfortable, when you belch gases, acids or raise sour, undigested food. When you feel just eat a tablet of Pape's Diapepsin and the stomach distress is gone.

Millions of people know the magic of Pape's Diapepsin as an antacid. They know that indigestion and disordered stomach are so needless. The relief comes quickly, no disappointment! Pape's Diapepsin tastes like candy and a box of this world-famous indigestion relief costs so little at drug stores. Pape's Diapepsin helps neutralize the stomach acids so you can eat without fear.

Those Who Do Heavy Work

out in the fields, in the streets, on the roads, in factory, shop or store, will find Chiropractic especially beneficial in relieving the ill-effects of strain and over-exertion. This exertion throws the moveable parts of the spine slightly out of position so they press on the nerves and shut off the life-giving currents that these nerves supply to certain parts of the body.

Weakness and severe illness in some organ of the body often follows; but generally these spinal defects sooner or later weaken the whole system and the worker becomes tired, depressed, out-of-sorts, and snbject to all manner of illness.

It is therefore important that all who do heavy work investigate Chiropractic and learn how it eliminates the ill effects of spinal defects by spine adjustments which remove the pressure from the nerves. Nature then can restore normal conditions and build up and strengthen the weakened and diseased organs.

CHIROPRACTIC
THE BETTER WAY TO HEALTH

is never followed by adverse results. Many run-down, out-of-sorts, over-worked men and women have been restored to health and vigor through Chiropractic (KI-Ro-PRAK-TIC) adjustments, without the aid of drugs or knife. Learn about this new Health way. You'll find it a wonderful help and benefit.

Church Services Today

Congregational church—W. E. Collins, minister. Church school meets for the study of the Bible at 9:30 a. m Morning worship at 10:45 music by chorus choir, talk to boys and girls "Children's Castles." Subject of morning sermon "The Guest of Nineteen Twenty." In the afternoon at 4 p. m. the annual Vesper Communion service will be observed. Christian endeavor will attend the Vesper service. At 7:30 p. m., Dr. R. W. Gammon, Western Editor and Educationalist will speak to the Community Forum on the subject of "When a Feller Needs a Friend." An address that will live long in the memory of the hearers. This church makes a contribution to the life of the community, and is endeavoring to enlist forward looking the Christ in his wonderful program of Fatherhood and Brotherhood. To those on whom the burdens of life press aiming at the ideal presented by Jesus men and women in its program. It is heavily, there is an invitation to share those burdens with the men and women of this church. You will find open hearts, open minds and open doors in this church.

Following the custom of many years the Westminster Presbyterian church and the Congregational church wil hold union services during the week of preyar, Jan. 4 to Jan. 9. The complete program is given elsewhere in this paper.

State Street Presbyterian church—W. H. Marbach, pastor. Start the New Year right by obeying the better voice within and attend Sunday school and church. "Renew a right spirit in me" is the prayer not only of a Jewisn poet of three thousand years ago, but the heart prayer of all who want to start the New Year right. With the spirit on fire the flesh can easily be made to start early for church or Sunday school. 9:30 o'clock is the hour for Sunday school and 10:45 o'clock morning worship. The young people meet at 6:45 p. m., and the evening service is held at 7:30 o'clock. In the name of Him who said, "Behold I make all things new" we bid you welcome.

Westminster Presbyterian church—Edward B. Landis, pastor. The Sunady schol will meet at 9:30, a warm house is assured and a warm welcom to all. Begin the new year by attending a class for the study of the Bible. Morning at 10:45, with a sermon by the pastor on the subject: "The Church's Answer to the Master's Call." Evening worship at 7:30, subject of sermon, "The Sin of Omitted Prayer. The C. E. society will meet at 6:45 to study the subject, "I Believe in God." During the week special services will be held each evening in observance of the Week of Prayer, uniting with the Congregational church and alternating with the different services. The first meeting will be held in the Congregational church Monay evening at 7:30. Rev. E. B. Landis will lead. The session will meet on Wednesday evening after the special services at Westminster. A full program appears elsewhere, for the week. A cordial welcome is extended to all at all services.

Northminster Presbyterian church—Walter E. Spoonts, minister. The morning services at 10:45. This hour will be given to observing the Lord's Supper. An opportunity will be given at this time for those who wish to unite with the church. Ernest Fernandes, a theological student from McCormick Seminary, will preach at 7:30 p. m. Let all hear him. Sunday school at 9:30 a. m. William Bieber ,superintendent. Let all start attending Sunday school the first Sunday of the new year. We will look for you. The Ladies' Aid Society will meet Tuesday afternoon at 2:30 o'clock. Important business, so let all members be present. The officers of the church will entertain the whole church next Wedesday evening, beginning at 7:30. The officers and pastor desire to meet all the members at this meeting, be sure and be there. Juniar Endeavor at 5:30 p. m. Senior Endeavor at 6:30 p. m. A good time is promised to all who attend. Remember that prayer meeting is on Wednesday night.

Central Christian church—M. L. Pontius, minister. Bible school, at 9:30 a. m., C. L.Mathis, Supt. Morning worship at 10:45 with sermon on the subject. The Meaning of Prayer. Evening service at 7:30. Theme of the sermon, Job and the Problem of Human Sufering. C. E. service at 6:30 p. m. Leader of the Senior, C. E. Miss Mayme Allison; of the Intermediate, Miss Virginia Cumming and of the Junior, Russell Cumming. A cordial invitation is extended to the public to attend these services.

Trinity Episcopal church—Second Sunday after Christmas. Early service, 7:30; Sunday school, 9:30; Holy communion and sermon, 10:45. Monday auxiliary will meet at 3 o'clock with Mrs. John Bellatti, 605 West Cottage avenue. Tues., Ephihany service as follows: Holy communion, 10:00. J. F. Langton, rector.

First Church of Christ, Scientist — Services are held at 523 West State street on Sunday at 1 a. m. and on Wednesday at 8 p. m. Subject, God. Sunday school is at 9:30 a. m. The reading room is open each week day from 3 to 5 p. m. The public is invited to attend the services and to visit the reading room.

Salem Evangelical Lutheran church—East College street. Rev. J. G. Kuppler, pastor. Sunday after New Year. Sunday school at 9:30 a. m. Public worship in English at 10:30 a. m. There will be no evening service. The annual congregational meeting will be held at 2 p. m. All voting members at requested to be present. The Ladies' Guild will meet at the parsonage Thursday. The Concordia League will meet at the school Thursday evening A cordial welcome to all. The Illinois Valley conference will hold a two day session in our midst Tuesday and Wednesday. On Tuesday evening there will be German services with communion.

Grace Methodist Episcopal church—Thomas H. Tull, pastor. 9:30 a. m. Sunday school, T. V. Hopper, superintendent. 10:45 a. m. morning worship. Theme of sermon, "Does Jacksonville Need a Revival of Religion?" 6:30 p. m. Epworth League. 7:30 p. m. evening worship. Theme of sermon, 'Forsaking all for Christ." Morning anthem, "O, Savior of the World," Goss. Evening anthem, "Savior, When Night Involves the Sky," Shelley. Henry Ward Pearson, organist and choirmaster. Beginning with Sunday the minute men will take part in each service through the evangelistic campaign. In the interests of the campaign for new members in the W. F. M. S. Mrs. Herbert Capps will speak just before the sermon on Sunday morning. Preceding the sermon Sunday evening Dr. Joseph Harker of the Woman's college will be the speaker.

Centenary M. E. church—D. V. Gandy, pastor. 9:30 a. m. Sunday school, A. C. Metcalf, superintendent. 10:45 a. m. sermon by the pastor. 6:30 p. m. Epworth League service. 7:30 evening worship and sermon. We will hold services each evening except Saturday during the week. Come let us worship the Lord our God.

Brooklyn M. E. church—G. W. Randle, pastor. J. A. Walters, S. S. superintendent. Sunday school at 9:30 a. m. A brief program on "The Stewardship of Life," will be given at the opening hour, in charge of Harriette Cox, missionary superintendent. Public worship at 10:45 a. m. and 7:30 p. m. Morning theme, "Life as a Sacred Trust." Evening theme, "Moxing Pictures from Real Life." The Epworth League devotional hour at 6:30 will be led by Miss Cox. Sunday is honor day, at which time the names on the honor roll for December will be read and posted. Wednesday evening from 7:30 to 10 o'clock will be held the monthly convocation. It will be 'Stunt Night." A good program is in preparation that will be announced in full later.

Mt. Emory Baptist church—E. A. Crockett, pastor. The services will be of a special nature all day Sunday. The services will begin at 10:30 a. m. with the reading of the church's covenant by the pastor, followed by generat expressions of thanksgivings and praise by the congregation. After this part of the services, the clerk will call the roll of the church and piedges will be taken for the support of the church and the furtherence of the Kingdom's work in general. A special New Year's offering will be taken for the church and (by suggestion of the pastor) faithful members will give a penny for the every New Year's day he or she has seen. The rite of communion will be served and the service will conclude with hand-shaking and a hymn of praise. 2:30 p. m. Sunday school. It is the desire of all concerned that all of the students be out on time, as Sunday is annual election of the school. 7:30 p. m. The pastor will deliver the introductory sermon to the great revival anticipated.

There will be a special business meeting of the church Wednesday evening at 7:30 and every member of the church is urged to be present and help to do what needs to be done to make our New Year's work a success. After the business is over the church will be called to its knees in prayer for a great revival. There will also be prayer meetings Thursday and Friday nights. Rev. R. A. Hayden, D. D., of Chicago will arrive Saturday before the second Sunday and take full charge of the revival and he is very desirous to have all of the workers to meet him at the church the second Sunday morning. Everybody is invited to attend our services.

First Baptist church—Sunday school, 9.30 a. m. Public worship, 10:45 a. m. and 7:30 p. m. Appropriate messages for the New Year. "A Gospel for All," and "The Crisis of Opportunity." Junior union 3 p. m., superintendent Miss Laura White. B. Y. P. U., 6:30 p. m. topic, "I Believe in God." Annual business meeting and election of officers Wednesday, 7:30 p. m. Services at Baptist chapel Sunday 2:30 p. m. and Friday 7:30 p. m.

MINISTERIAL MEETING.

The semi-monthly meeting of the Ministerial Association will be held Monday morning, Jan. 5, at 10:30 in Grace M. E. church. G. W. Randle, secretary.

WILL MEET TONIGHT

Court of Honor will meet Monday night, January 5th. Full attendance desired.

Electricity points the way for you to start the new year right, Mrs. Good Housekeeper. It shows you how to avoid the wash day labor and excessive laundry bills. It shows you how the vacuum principle of electric cleaning will keep your home sanitary. Resolve to start on the electric way toward home content.

DR. A. M. KING MAKES ANNUAL HEALTH REPORT

Gives Statistics from Health Department for the Year of 1919 —Many Cases of Influenza— Many Non-Residents Die Here.

Dr. A. M. King, city health physician, has filed his annual report for the year of 1919 with the city clerk for presentation to the city council.

The report contains many figures of interest to citizens. During the year there were 457 deaths. There were many from out of the city, at Jacksonville state hospital and other local hospitals which serve to swell the death rate of Jacksonville to far beyond what it should be, owing to the insistence of the state board of health that the deaths should all be charged against the city.

Some of the statistics shown in the report are given herewith:

Total deaths, 457; male, 227; female, 230; white, 426; colored, 31.

By wards: First ward, 124; Second ward, 44; Third ward, 53; Fourth ward, 236.

Deaths in city, 292; deaths at insane, 165; residents, 210; nonresident, 247.

Births, 271; still births, 12.

Under one year, 25; one to five years, 13; five to twenty years, 18; twenty to fifty years, 104; fifty to seventy years, 136; over seventy, 161.

Seventy-nine were buried in Jacksonville cemetery; 111 in Diamond Grove cemetery; 12 in Calvary cemetery; 254 out of city.

Of the males there were 63 single; 99 married; 50 widowed; divorced, 4; unknown, 12.

Of the females there were 68 married; 68 single; 78 widowed; 11 divorced; 5 unknown.

Contagion — Influenza, 544; smallpox, 32; mumps, 17; scarlet fever, 15; erysipelas, 5; scarlet monia, 2; veneral diseases, 51; typhoid fever, 28; measles, 16; chickenpox, 11; tuberculosis, 4; whooping cough, 2.

A SPLENDID INVESTMENT

I am offering for a few days only 249 acres of good, rich, black level land located one and three-quarters miles north of Franklin, on the Alexander - Franklin road, and one-fourth mile from Yoeman station

The owner of this property is now in California and has a chance, for a short time, of making an investment in that state, hence this farm is offered at a bargain. This farm belongs to Moses Belsley.

For further particulars, call upon or write

G. J. DOWELL,
Franklin, Ill.

NORTH END CLUB MET

The North End Club held a very successful Handkerchief Bazaar Wednesday evening, Dec. 31st at the residence of Mrs. Frank Tate S. West. There were four booths. One consisted of novelties that were beautiful to look at and it was in charge of Mrs. Young and Mrs. Hattie Wilban had charge of the oysters, assisted by Mrs. M. Bryant. Mrs. Louise Wright was in charge of the ice cream and the handkerchiefs were successfully handled by Mrs. Laura Lafayette and Mrs. Ada Cooper. The affair proved to be quite a success financially. The next meeting of the club will be held at the residence of Mrs. M. Bryant on Lurton street.

Mrs. Fannie Strong, Pres.
Mrs. Ada Cooper, Sect'y.

Miss Lucy Gray Gatling of Springfield was visiting friends in the city yesterday.

STATE HOSPITAL

Miss Rose E. Whipp is spending Saturday and Sunday in St. Louis.

S. D. McKinney, deportation officer, is at the institution on official business.

Ernest Perry is able to be out again after a few days illness.

Mrs. Eura Owens has returned to her duties as nurse after a six months leave of absence.

Miss Phenia Whitehouse is off duty suffering from a severe cold.

Little Jean Murray is very ill, suffering from a severe bronchitis.

Dr. George C. Stimpson has been added to the Medical Staff. He was formerly at Kankakee also the Elgin State Hospital. He served in the late war and on his return was certified to this institution.

Population of the Institution, January 1, 1102 male patients; 1056 female patients. Employees 287.

Car Bran and White Shorts just in, priced very low. 100 lb. bags. Come and get what you want. C. A. McClelland & Co. Bell 176. Ill. 8. City Elevator Warehouse.

RED CROSS GETS ADVANCE INFORMATION ON "SWEET BILL"

The following message was recently received at Red Cross Headquarters in the Public Library, Jacksonville:

"To all Home Service Sections—

Below is advance information regarding "Sweet Bill" as agreed to by U. S. Senate and House of Representatives.

All ex-service men will want information regarding these amendments to the War Risk Insurance Act. This is the most important announcement to Service men and Home Service Sections since the signing of the Armistice.

Compensation payments are adjusted one basis of $80.00 per month for total temporary disability for men without dependents, with additional amounts for dependents, and $100.00 for total permanent disability. These increases are retroactive to April 6th, 1917. Compensation provisions are also made retroactive to April 6th, 1917.

Those inducted by the Local Draft Board, but not accepted at camp and enrolled for active service are included without benefits of the Act.

Insurance lump sum payments are provided in converted insurance and class of beneficiaries enlarged to include uncles, aunts, nephews, nieces, brother-in-law, and sister-in-law of insured. Payments owing to person who dies are made payable to his Executor or Administrator.

The bill also includes other provisions about which you will be notified."

WANTED—One or two boys. Apply at once Ward Brothers Book Bindery.

FRED STEVENSON VISITOR HERE

Fred Stevenson of Wichita, Kans., is a business visitor in the city and county for a few days. Mr. Stevenson looks natural and was warmly greeted by many friends. Mrs. Stevenson who is visiting in Michigan will be here soon for a visit.

WILL MOVE OFFICES

The offices of the Social Service League will be moved on Tuesday from the King building to the rooms over the Ward's Book Bindery on West Morgan street.

Mrs. E. E. Dawson, E. W. Dawson and Scott Dawson of Petersburg were visitors in the city Saturday.

MAVERICKS

All the leading hotels of the country are dividng their stocks of liquor among the shareholders. We haven't got a share of stock in any of them either.

* * *

We don't know just why Senator Borah wants to know where Lowden stands on the League of Nations. Senator Borah's home state, Idaho, has such a small number of voters that it wouldn't cut much ice in the nomination if Mr. Borah controlled all of them, which he doesn't.

* * *

The oldest hen in the country died down in Connecticut the other day. However the oldest chicken is still in existence tho none are claiming the doubtful honor.

* * *

William J. Bryan's name is to be presented in Michigan as a presidential candidate. We presume that other famous man of peace, Henry Ford, will be for him.

* * *

Evidently the people are more interested in the high cost of living than they are in arguments about the League of Nations.

* * *

Speaking of H. C. L., eggs dropped to 60 and 65 cents last week when you could find somebody who had them.

* * *

According to Attorney General Palmer the Reds have been playing the black, to use a little roulette parlance, by trying to organize the negroes of the south.

* * *

So far 1920 has not much to commend it.

* * *

From present indications most of the tubercular patients who were ill when the tuberculosis sanitarium was started will have died before it is completed.

* * *

If that Alton editor who said one Alton newspaper had more reporters that both Jacksonville papers combined would regard quality instead of quantity he would not need so much help and probably would get out a much better paper.

* * *

In 1930.

Bandits completely wrecked the million dollar suburban home of William Rockerbilt early this morning in an effort to obtain possession of a pint of whiskey which the owner was said to have in a specially built steel vault. The bandits were driven off before they obtained possession of the flask which Mr. Rockerbilt holds among his most valued possessions.

* * *

The cost of high living continues to increase. Local citizens with a "thirst" think nothing of planking down fifty cents for a drink of bootleg whiskey.

* * *

So far the kind dispensed here has not killed or caused any blindness.

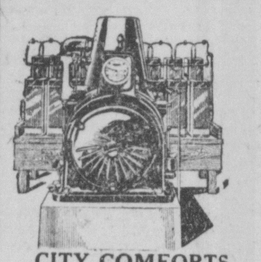

* * *

However, we are afraid to take a chance.

* * *

From County Agent's Office

Orgaization for Membership Campaign—A short time ago the executive committee, of the Morgan County Farm Bureau, invited Barr Brown to act as Campaign Manager during the combined drive for membersf or the Morgan Couty Fanrm Bureau and the Illinois Agricultural Association. Mr. Brown accepted. A director has been named for each of the 19 different townships in Morgan County. The principal duty of the director wil be to cooperate with the campaign manager in getting drivers who will give one day's time in driving the state organizers over his township. These organizers will work a township a day, or rather they will send enough men here to work two townships per day. The campaign will be advertsed in a way that will let every farmer in Morgan County know what the campaign is several weeks before the drive starts. The directors and drivers have been invited in to a banquet at noon on January 8th to hear J. C. Sailor, the Assistant Secretary of the Ilinois Agricultural Association, explain in detail the methods of carrying on the campaign.

Marketing Livestock — Adams County is trying a unique method of marketing livestock. A shipping association has been organized for the entire county. The manager has his office at the Farm Bureau headquarters. A local man, at each of the shipping points helps in locating the stock and preparing it for shipment. The returns all come to the manager at the Farm Bureau headquarters. During November this association shipped 100 car loads of hogs.

Scarcity of Legume Seed—Red Clover seed is scarce everywhere, but it is possible to get good seed if a man is willing to pay the price. At present the dealers and speculators are making an effort to get control of all the seed in sight. If they succeed in doing this we may expect unheard of prices next spring. In many cases farmers will do well to plan to sow sweet clover, alsike, alfalfa or soybeans instead of red clover. It will certainly pay to buy seed early this year.

Chinch Bug Situation — The rainfall for May and June, 1919, was above normal in all counties in the state heavily infested with chinch bugs. This checked the development of the first brood of this insect. The second brood, however, was favored by hot, dry weather and the increase in the numbers of this brood a little more than made up for the decrease in the first brood. The seriously infested area has not increased much over that of December, 1918. There has been a slight general increase in the numbers of chinch bugs thruout the south-central part of the state and a small area in the eastern part of Cass county, extending into the edges of Morgan, Sangamon and Menard counties, will probably show moderate damage in scattered fields.

Regular meeting of Musicians Union Local 128 A. F. & M. at Labor Temple Sunday morning at 10:30 o'clock. Election of officers. John Kearns, President. Adam Ehrgott Jr., Sec'y.

OBITUARY

James Edwin Winter was born in Morgan county, Illinois, September 20, 1862 and died December 18, 1919, aged 57 years, two months and 28 days. He was the son of David and Nancy Winter and had seven brothers and seven sisters. Mr. Winter was preceded in death by the father, mother, two brothers and four sisters. Those remaining are William and Charles Winter of Turlock, California; George, Claud and Homer Winter of Jacksonville, Ill.; also Mrs. Sallie Barnhart, Mrs. Lillie Helliwell and Mrs. Bessie Megginson of Jacksonville, Ill.

Mr. Winter received his education in the public schools of Morgan county, Illinois, making good use of every opportunity for equipment.

On February 26, 1889, Mr. Winter was united in mariage to Mary Caroline Lewis in Jacksonville, Illinois and came to Hamilton county soon afterward locating on the farm where he lived until his death.

To their union were born six children of which an infant son and Mabel May passed away in childhood. Roy, Francis and Marie are at home and Mrs. Emma Robinson and her one year old son remain with the mother to mourn their loss.

It was a shock to the community when the death of Mr. Winter was announced for he had many friends, not only among his neighbors but in Aurora, where he was associated in business interests. Mr. Winter lived in the community of the Prairie Gem U. P. church and was one of its supporters, altho not a member. His health had been impaired for some time and hardening of the arteries had set in. Few realized the full seriousness of his condition until he was stricken Thursday morning December 18, 1919.

The funeral service was held in the Auora United Brethren church Sunday afternoon, December 21st, in charge of Rev. H. H. Heberly, assisted by Rev. Franklin Hunt.

The special music was furnished by members of the Prairie Gem choir and was very appropriate. A large number of friends filled the church. Burial was in the Aurora cemetery.

PUBLIC SALE

Tuesday, Jan. 6, consisting of horses, cows, hogs, implements, corn and oat straw, at farm 1½ miles east of Woodson.

Mrs. Effie E. Megginson.

GRACE CHAPEL

There was an all day community meeting held at the Chapel New Year's day.

In the morning a shooting match was the main entertainment for the men and boys.

The ladies prepared a fine dinner which was partaken of by all present at the noon hour.

This being the date for Willing Workers Society to meet, they gave several very interesting readings and music which passed the time away most pleasantly afternoon.

The hour for departure came all to soon, and all present wished for many more such happy community meetings during the coming New Year.

Society meets for their February meeting at the home of Mrs. Wall Mason.

M. O. Smith and wife departed Tuesday noon for Missouri and points in Kansas for an extended visit with relatives.

Wall Mason, wife and family were Literberry visitors at the home of Mrs. Nettie Scribner New Year's day.

Mrs. William Jones visited Wednesday afternoon with her mother, Mrs. Elmyra Wiswell.

T. R. Davis of Dallas City spent Saturday in the city attending to business matters.

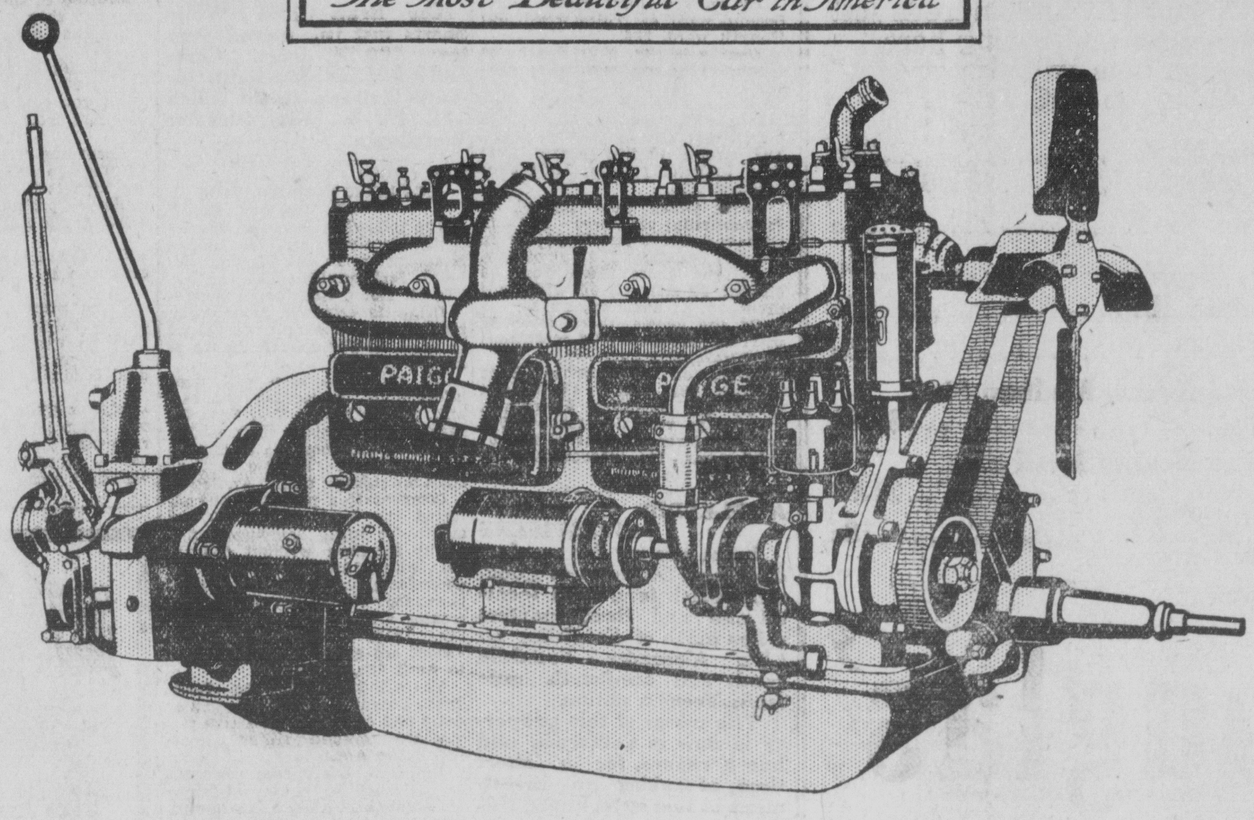

C. J. Clark of Alton spent Saturday in the city on business.

PAIGE
The Most Beautiful Car in America

Announcing a New Paige Motor

For three years the Paige engineers have been devoting their efforts to the development of a New Six-cylinder motor. With every facility for research and experiment, these men have worked with one definite object in mind—the production of the most efficient power plant in the world.

That motor is now an accomplished fact. It has passed from the laboratory to the road and there it has been tested mercilessly and continuously. It has been subjected to every stress and strain that brutal driving might suggest, but in each instance it has emerged with a flawless record.

These long, exhaustive tests have convinced us that the new Paige Motor is indeed the most efficient of all light sixes. In economy of operation, hill climbing ability, acceleration and flexibility it has far surpassed any power plant developed by this organization.

Best of all it is an original Paige product—conceived by Paige engineers and built by Paige mechanics in the Paige shops. In it we have incorporated every approved feature that is known to automotive engineering.

In brief, it represents the sum total of current engineering knowledge. It expresses accurately and completely the tremendous strides of scientific development during the entire war period. It is a strictly modern achievement—a product of the combined genius of two continents.

A New Paige Car

The war has taught American manufacturers many valuable lessons. In the past three years, for instance, we have developed an entirely new conception of precise manufacturing in large scale production.

You will find a striking example of this practice in the New Paige "Glenbrook" model.

The scrupulously accurate methods that were applied to delicate Government mechanisms are now producing every unit of our car.

With the closest inspection, vastly increased equipment and much broader experience, there could be only one result—a highly refined, highly standardized product.

One ride in the "Glenbrook" tells an eloquent story of finely-balanced construction. The smooth, even power of the motor sweeps you along without a suggestion of vibration or mechanical noise. There is merely a gentle purr from the exhaust as the car glides on its way with the buoyancy of an aeroplane.

All road shocks and jars are immediately absorbed in the velvety spring suspension.

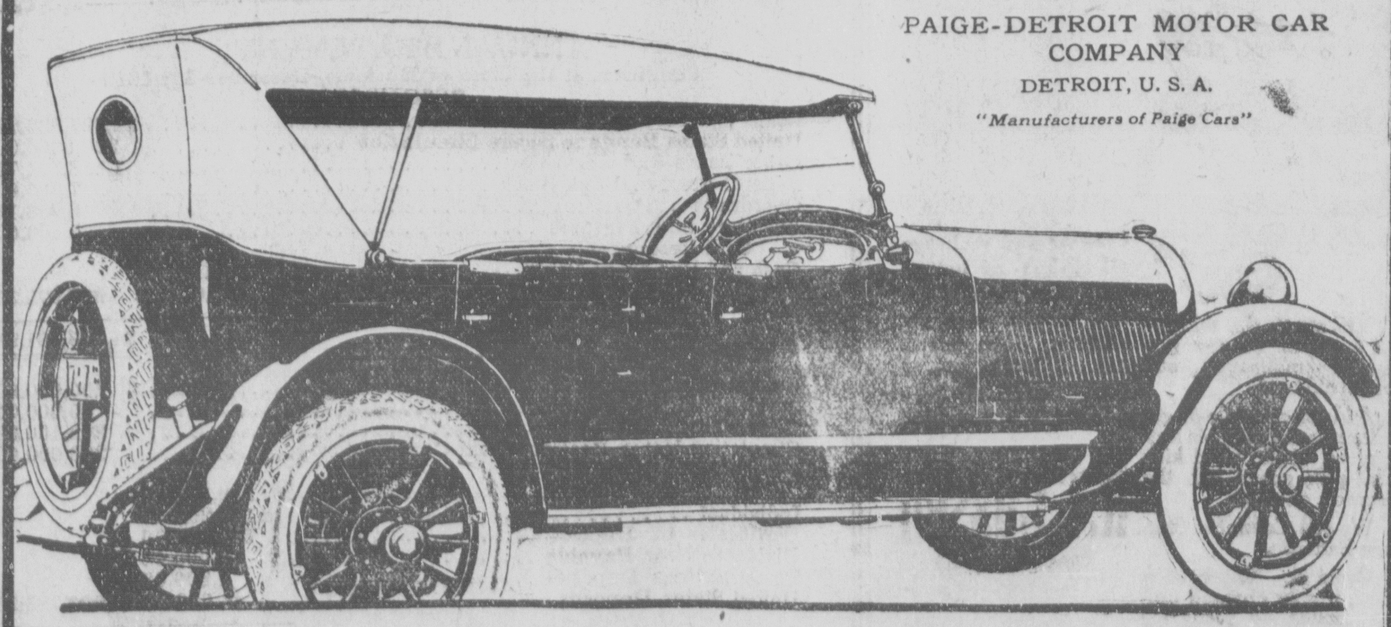

There is no danger of sway or "side slip" no matter what the speed may be, for every ounce of weight in the chassis is distributed with scientific precision.

Inside the car there is body room, leg room and elbow room for five adult passengers to travel in luxurious comfort.

The upholstering is soft and inviting—the equipment and general appointments throughout are the best that money can buy.

So far as the design is concerned, you of course know what to expect, for this is "The Most Beautiful Car in America."

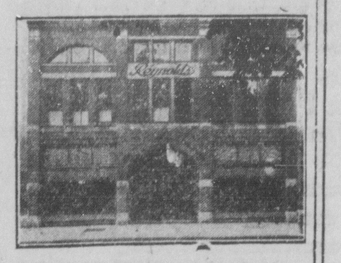

The "Glenbrook" model is our latest achievement. We merely ask you to see it—ride in it—drive it—and form your own opinion. We shall be quite content to abide by the result.

CORN UNDERGOES FURTHER SETBACK

CHICAGO, Jan. 3.—Corn underwent a setback today owing largely to belief that the crop movement would be on a broader scale next week. Prices closed unsettled ½ to 1½c net lower with January $1.34⅝ to $1.34⅞ and May $1.31⅝ to $1.31¾. Oats lost ¼ to ¾c. In provisions the outcome was 7 to 25c advance. At first, corn showed an upward tendency as a result of below zero weather and of continued scanty receipts. Later, however, values began to respond to predictions of rising temperature and to advices that cars were more plentiful in parts of Illinois and Iowa. Bearish sentiment due to the inference that rural shipments would increase was further emphasized by a falling off in export demand for oats.

Oats, like corn, were wetk except at the start. Selling was led by a speculator who unloaded about 1,000,000 bushels.

Higher quotations on hogs gave firmness to provisions. Demand, tho, was light and offerings lacked volume.

ADVOCATE COMMUNITY HEALTH CENTERS

St. Louis, Mo., Jan. 2.—Establishment of community health centers thruout the country to promote physical health and efficiency thru organized community effort was advocated at the closing session of the convention of the American Association for the Advancement of Science tonight.

Prof. C. E. A. Winslow of the Yale College Medical School, in an address warned that scientists and the medical fraternity would be powerless to combat another siege of influenza, but said such community centers would go a long way toward preventing another epidemic.

An executive committee of eight members was appointed by the executive council to replace the policy committee and take charge of detailed work between conventions. Dr. H. Ward of the University of Illinois was named on the committee.

FEW LABOR DISPUTES PENDING

WASHINGTON, Jan. 2.—The United States entered the New Year with fewer pending industrial disputes than at any time during the past three years according to Hugh L. Kerwin, director of conciliation of the department of labor.

With the exception of the steel strike the actual strikes thruout the country are few in number and minor importance, Mr. Kerwin declared. There are now 101 industrial disputes before the department for adjustment only 21 of which have reached the strike stage.

STOCKS TAKE AN UPWARD MOVEMENT

NEW YORK, Jan. 3.—The upward movement in stocks which preceded the ushering in of the New Year made further progress today on a substantial and varied turnover. The upswing was attributed to prospects of a related money market as indicated by yesterday's sharp decline in demand loans and the extraordinary activity reported from leading centers of industry. This was reflected in absorption of steel and equipment shares, also coppers, motors, motor accessories, shippings and numerous specialties. Gross gains extended from 2 to 5 points in most of them, a few scoring greater advances. There also was a marked revival of inquiry for oils, but rails were under restraint until toward the finish.

Liberty bonds and victory notes were heavy to irregular but elsewhere including internationals, a firm tone prevailed in the bond market. Total sales (par value) were $8,550,000.

The bank statement was an index of the heavy transfer of funds which marked the advent of the New Year. Actual loans and discounts increased by slightly more than $176,000,000 with an increase of about $46,000,000 in reserves, which brings the total excess up to almost $55,000,000 against a deficit in the third week of December.

EAST ST. LOUIS LIVE STOCK

East St. Louis, Jan. 3.—Hogs—Receipts 7,000; higher; top $14.90; bulk $14.60 @ $14.80; heavy $14.50 @ $14.70; medium $14.50 @ $14.80; light $14.40@14.90; light light $14.20@$14.80, packing sows, smooth, $13.00 @ $13.50; packing sows, rough, $12.50 @ $13.00; pigs $12.00 @ $14.75.

"ONLY ONE THING BREAKS MY COLD!"

"That's Dr. King's New Discovery for fifty years a cold-breaker"

NOTHING but sustained quality and unfailing effectiveness can arouse such enthusiasm. Nothing but sure relief from stubborn old colds and onrushing new ones, grippe, throat-tearing coughs, and croup could have made Dr. King's New Discovery the nationally popular and standard remedy it is today.

Fifty years old and always reliable. Good for the whole family. A bottle in the medicine cabinet means a short-lived cold or cough. 60c. and $1.20. All druggists.

Stubborn Bowels Tamed

Positive in action, yet natural, comfortable, pleasant, Dr. King's New Life Pills are a boon to bowels that need assistance. They eliminate fermenting waste and put the system in normal shape. All druggists—25c. a bottle.

ILLINOIS FOLKS TELL OF EXPERIENCE

Freeport, Ill.:—"I can highly recommend Dr. Pierce's medicines. While I have taken some of nearly all of these medicines at different times and they always were first-class, I can speak especially well of the 'Favorite Prescription.' I have taken it as a special woman's tonic and it was excellent. For several years I was in very poor health. I had doctored for some time without results and I was in a miserable state when I decided to write to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for advice concerning my ailments.

"I am sure I owe my good health today to Dr. Pierce, and perhaps my life, and I cannot say enough in praise of his skill and also his grand medicines." MRS. E. SCOVILL, 329 Elk St.

Galena, Ill.:—"Some years ago I was afflicted with catarrh and liver trouble. My blood was impoverished and an abscess formed over my liver. I was in a serious condition when my husband brought me a bottle of Dr. Pierce's Golden Medical Discovery, a vial of Pleasant Pellets and a package of Dr. Sage's Catarrh Remedy. My improvement was noticeable from the very start but I took seven bottles of 'Golden Medical Discovery' so as to be cured and restored to perfect health.

"My sister also had a most satisfactory experience with the 'Discovery' which she took for an asthmatic condition. Two bottles of it absolutely cured her of asthma and for thirty-five years afterwards she continued praising 'Golden Medical Discovery' and recommending it to persons afflicted with asthma or bronchial affections."—MRS. HATTIE MOORE, 518 Dewey Ave.

PLEASANT GROVE ITEMS OF INTEREST

Miscellaneous Shower in Honor of Mr. and Mrs. Edward Wild —Clayton-Cox Wedding—Other Notes.

William Clayton and Miss Landis Cox were united in marriage, Sunday, December 28, at the Christian church parsonage by Rev. M. L. Pontius. They were accompanied by Miss Pearl Dehrs of Jacksonville and Clinton L. Tucker of Carrollton. The groom is the son of George Clayton of Murrayville and is an industrious, prosperous young farmer of this vicinity. The bride is the daughter of George Cox of Nortonville. They left Jacksonville Sunday night for a wedding trip to Hot Springs, Ark., and other southern points. After February 1, they will be at home to their friends on their farm three miles east of Murrayville.

Both young people have a wide circle of friends who join in wishing them a long and happy married life.

Mr. and Mrs. William Long of Manchester spent Monday with their son, Ernest Long and family.

Mr. and Mrs. Stephen Shelton of Woodson and Mr. and Mrs. George Sooy of Jacksonville spent Wednesday with Warren Fanning and family.

Mr. and Mrs. Albert Hamm of Mariett, Ill., spent last Friday with Mrs. Hamm's sister, Mrs. Dean Crouse and family.

The neighbors and friends of Mr. and Mrs. Edward Wild gave a miscellaneous shower in their honor last Friday evening at the home of Mr. and Mrs. Lurten Tucker. The presents were placed in a large clothes basket and this was pulled through the house on a little sled drawn by Juanita Crouse and Clifton Fanning, while Miss Grace Jennings played a suitable march on the piano. Games and music were enjoyed. Refreshments of ice cream and cake were served.

Miss Leta Clayton has been spending the week with her brother and sister, Arthur and Anna Clayton.

Clinton Tucker of Carrollton has been spending the week with his brother, Lurten Tucker.

Rev. J. C. Bell of Murrayville, was calling on some of his members in this neighborhood this week in the interest of the revival meetings that are in progress at the Methodist church.

Mr. and Mrs. Lurten Tucker spent Sunday with Mr. and Mrs. William Wiswell of Greenfield.

Mr. and Mrs. Ernest Henry went to Centralia Friday where Mrs. Henry expects to take treatment for her eyes.

COMMENCING MONDAY MORNING PRICES OF A SACRIFICING PROPOSITION WILL BE MADE IN EVERY DEPARTMENT WHILE INVOICING IS IN PROGRESS.

J. HERMAN.

YOUNGBLOOD

William Clayton of Murrayville and Miss Landis Cox of Nortonville were united in marriage at the Christian church parsonage in Jacksonville by Rev. M. L. Pontius at 6:30 o'clock Sunday evening. The groom is a son of Mr. and Mrs. George Clayton of Murrayville, and the bride is a daughter of Mr. and Mrs. George Cox of Nortonville. They will make their home on a farm near Murrayville.

Mrs. Alice McLaughlin and daughter Florence and Mrs. Ella Young spent New Years Day with their parents, Mr. and Mrs. Cooper of Jacksonville.

Henry Edwards and family have moved to the farm in this neighborhood which he bought from William Harkleroad.

Mr. and Mrs. John McLaughlin and daughter Florence spent Sunday with Mr. and Mrs. Young.

Car Bran and White Shorts just in, priced very low. 100 lb. bags. Come and get what you want. C. A. McClelland & Co. Bell 176. Ill. 8. City Elevator Warehouse.

NEW YEAR'S EVE PARTY GIVEN AT EXETER

Surprise Party for Kenneth Funk Proves Pleasurable Occasion—Other News of Exeter and Vicinity.

Exeter, Jan. 2.—Mrs. Charles Funk gave a surprise party Thursday evening for Kenneth Funk, who is spending a vacation at home. It was a watch party and also quite a surprise on Kenneth when he returned home about eight o'clock to find about forty of his friends assembled there. At twelve o'clock when the old year went out and the new one came in, there were a number of tin cans beating. Music, singing, hallowing and etc. Music, singing at a late hour wishing Kenneth many more Happy New Years.

Fred Korty was on the sick list the past week.

Tilt Hamilton of Winchester was a town caller Monday.

Allen Chrisman was a business caler in this vicinity Wednesday.

Miss Virgie Buchanan was a town caller Sunday.

Frank Rockwood was a town caller Monday.

H. Evensmeyer called in town Monday.

The dance given in town by the Woodmen was a hummer.

Clifford Mills and wife were Winchester visitors Tuesday.

Scott Dunham and family enrouted to Bluffs where he will visit at the home of Croney Mills.

Russel Bishop has been shucking corn for C. Sumtel.

George Vannier and Thomas Whitlock were county seat visitors Monday.

Hats Are to Be Still Higher

—not in dimensions, but in price. But don't let worry you. You doubtless possess one or two hats now that are not worn out—just soiled and out of shape. Bring them in and let us

CLEAN AND REBLOCK

them. After the "hat magician" returns them to you they'll look like new ones.

15 EGGS A DAY FROM 23 HENS, IN WINTER

Mr. Duni's Hens Increased Every Day. Plan Is Easily Tried.

"We have 23 chickens and hadn't had an egg all winter. In five days after feeding Don Sung, we got four to five eggs a day; in three weeks we were getting 10 to 12 eggs a day; in five weeks we got 15 to 19 eggs a day." —John Duni, Box 102, Cherry Valley, Pa.

Mr. Duni started giving his hens Don Sung in January, in zero weather. He now keeps his hens busy in cold weather, when hens usually stop laying. A trial costs nothing. Here's our offer:

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be promptly refunded.

Don Sung (Chinese for egg-laying) works directly on the egg-laying organs, and is also a splendid tonic. It is easily given in the feed, improves the hen's health, makes her stronger and more active in any weather, and starts her laying.

Try Don Sung for 30 days and if it doesn't get you the eggs, no matter how cold or wet the weather, your money will be refunded by return mail. Get Don Sung from your druggist or poultry remedy dealer or send 50 cents for a package by mail prepaid. Burrell-Dugger Co., 284 Columbia Bldg., Indianapolis, Ind.

No Cheaper Nor Better Hog Food On the Market

"Sure Fatten" Digester

Increases weight from 1½ to 2 pounds per day and increases bone and muscle—contains 60 per cent protein.

No cheaper nor better hog food on the market. It is the most economical source of digestive protein known. It contains twice as much protein as oil meal and five times as much as middlings, shorts, shipstuff and alfalfa meal. Ask your neighbors or feeders of tankage what it is doing for them. Manufactured by us.

"The Best Place to Trade, After All"

Don't forget the 20 per cent reduction on odd Chiffoniers

The CHENEY

You Should Hear a Piano Record on The Cheney

In the Cheney "needle scratch," and "blast," are virtually eliminated.

The Cheney plays all records—places the rich repertoire of the world at your disposal.

Because Cheney inventions are protected by basic patents, the rare quality of Cheney Tones knows no imitation.

The perfection of Cheney tones is easily demonstrated with a piano record. No more exacting test could be found.

Its fidelity to the very timbre of piano tone is unquestioned—you recognize the remarkable improvement over ordinary reproductions immediately. So also with vocal, instrumental and orchestral selections. And like a rare violin, Cheney Tones grow richer, mellower with time. "The Longer You Play It, The Sweeter It Grows."
